BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 154713 §
issued to JOHNNY HEATH § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Bo considered the matter of JOHNNY HEATH, Vocational Nurse License Number 154713, herein referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on April 3, 2009, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice vocational nursing in the State of Texas is in delinquent status.
4. Respondent received a Certificate in Vocational Nursing from Fitzsimons Army Medical Center, Aurora, Colorado, on October 1, 1981. Respondent was licensed to practice vocational nursing in the State of Texas on September 28, 1995.
5. Respondent's vocational nursing employment history includes:

| | |
|-------------|---------|
| 1980 - 1985 | Unknown |
|-------------|---------|

Respondent's vocational nursing employment history continued:

| | | |
|----------------|-----------------------------|---|
| 1986 - 1992 | Supervisor | United States Army Eighth Evacuation Hospital Fort Ord, California |
| 1992 - 1996 | Instructor | AMEDD Fort Sam Houston, Texas |
| 1997 - 2005 | Agency Nurse Home Health | Personal Touch San Antonio, Texas |
| 4/05 - 1/06 | Staff Nurse | Brooke Army Medical Center San Antonio, Texas |
| 12/05 - 3/06 | Staff Nurse Home Health | Maxim Healthcare Services San Antonio, Texas |
| 4/06 - 12/06 | Unknown | |
| 1/07 - 3/07 | Staff Nurse Home Health | Maxim Healthcare Services San Antonio, Texas |
| 4/07 - Present | Unknown | |

6. At the time of the initial incident in Finding of Fact Number Seven (7), Respondent was employed as a Home Health Nurse with Maxim Healthcare Services, San Antonio, Texas, and had been in this position for two (2) months.
7. On or about March 11, 2007, while employed as a Home Health Nurse with Maxim Healthcare Services, San Antonio, Texas, Respondent failed to provide adequate care for Patient Medical Record Number 52300462 in that he failed to reassess that patient's heart rate after obtaining an elevated reading of 140 at the beginning of his shift. Even though the vital signs were not ordered to be taken at specific times, the reading of 140 was the highest rate that had been recorded for several days and could have been indicative of complications. Respondent's conduct was likely to injure the patient from undetected progression of clinical complications, including, but not limited to, respiratory distress and possible death.
8. On or about March 11, 2007, while employed as a Home Health Nurse with Maxim Healthcare Services, San Antonio, Texas, Respondent failed to provide adequate care for Patient Medical Record Number 52300462 in that he abandoned the patient at approximately 0800 when he left his assignment prior to the subsequent nurse's arrival. Respondent did not report off to the patient's mother nor did he contact the agency to report that the on-coming nurse was late. Furthermore, Respondent removed the patient from the continuous positive air pressure (CPAP)

machine prior to his leaving. As a result, when the subsequent nurse arrived at approximately 0810, she found the patient in respiratory distress with an oxygen saturation level low at 86%. The patient's symptoms resolved during the day with no further complications. Respondent's conduct was likely to injure the patient in that removing the patient from the CPAP machine and then leaving the patient unattended could result in the patient experiencing respiratory distress and possible death.

9. In response to the incidents in Findings of Fact Numbers Seven (7) and Eight (8), Respondent denies the allegations, stating that he informed the patient's mother, who was reportedly cleaning the upstairs bathroom, that "the on-coming nurse had not reported in yet and I needed to leave." Respondent explains that he informed the mother that the patient had been taken off the CPAP, "as per her instructions." Respondent goes on to explain that he did administer the morning medications and documented that they had been administered. In conclusion, Respondent states that he only worked every other weekend for this patient. He adds that he questioned the mother regarding how she was able to get so much assistance, including medical supplies, and the mother responded that the nurses would "pick the seven worst days and write the re-certification which would then be given to Maxim and then they would forward to the State. I believe that all the allegations are stemming directly from my actions of reporting this client's mother to the state for Medicaid fraud."

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(B),(1)(I),(1)(M)&(2)(A) and 217.12(1)(A),(1)(B),(4)&(12).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 154713, heretofore issued to JOHNNY HEATH, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
