6. On or about July 9, 2008, Respondent was issued an Agreed Order by the Texas Board of Nursing, Austin, Texas, that required him to participate in and successfully complete the Texas Peer Assistance Program for Nurses (TPAPN). A copy of the Findings of Fact, Conclusions of Law, and Agreed Order dated July 9, 2008, is attached and incorporated, by reference, as part of this Order.
7. On or about February 1, 2009, Respondent failed to comply with the Agreed Order issued to him by the Texas Board of Nursing on July 9, 2008. Non-compliance is a result of Respondent's failure to comply with all requirements of the Texas Peer Assistance Program for Nurses (TPAPN) contract. Stipulation Number Three (3) of the Order dated July 9, 2008, reads:

(3) RESPONDENT SHALL comply with all requirements of the TPAPN participation agreement during its term and SHALL keep his license to practice nursing in the State of Texas current.

Specifically, Respondent quit daily calls for drug testing, and had missed three (3) random tests. Respondent's Twelve (12) Steps meetings and monthly Self-Reports and treatment updates have not been turned in since early January of 2009.
8. Respondent's last known date of sobriety is February 1, 2009, as indicated in Finding of Fact Number Seven (7).
9. In response to Finding of Fact Number Seven (7), Respondent states that he began random drug testing while enrolled in TPAPN, but his limited resources ran out. Respondent exhausted all possible areas of employment at the time to include nursing homes, but they required nurses to hand out narcotics, which he was not allowed to do under the TPAPN contract. Respondent state that he needed to work to pay for the drug screens, and it is very difficult to participate in daily treatment, process groups, education groups, daily 12-step meetings, and work, and satisfy TPAPN.

10. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(1)&(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(9)&(11)(B).
4. BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 174131 §
issued to MICHAL LYNN DODSON § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of MICHAL LYNN DODSON, Vocational Nurse License Number 174131, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(9),(10)&(12), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on June 2, 2008, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Panola Junior College, Carthage, Texas, on August 20, 1999. Respondent was licensed to practice vocational nursing in the State of Texas on October 27, 1999.

07/03 - 01/04	LVN	Briarcliff Health Center Carthage, Texas
02/04 - Present	LVN	Panola Nursing and Rehab Carthage, Texas

6. At the time of the incident, Respondent was employed as a Licensed Vocational Nurse with Panola Nursing and Rehab, Carthage, Texas, and had been in this position for approximately three (3) years and eight (8) months.
7. On or about October 8, 2007 through November 11, 2007, while employed as a Licensed Vocational Nurse with Panola Nursing and Rehab, Carthage, Texas, Respondent lacked fitness to practice vocational nursing in that Respondent was hospitalized and subsequently entered outpatient treatment for alcohol and was prescribed Ativan abuse/dependence, and depression. Respondent's condition could have affected his ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected his ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patients in potential danger.
8. In response to Finding of Fact Number Seven (7), Respondent states: The alleged facts are fairly accurate. I self-reported while I was in outpatient treatment for alcohol and Ativan abuse/dependence, and depression. Part of my treatment plan was to disclose my addictions to my employer, and to the nursing board, something that created great anxiety, but great relief once I did it. It was an effort to have a greater sense of accountability to the people who had placed their trust in me. I was addicted to Ativan, prescribed to me by a doctor, and took it for years. I was taking 6mg a day. That was the prescribed dose. I tried to quit taking it on my own, but the withdrawals were severe. I started taking it again, as directed, then tried to wean myself off. I developed a severe depression, and realized that it was too much for me to do on my own. I needed treatment, and I went to get it. Since that time, I have been drug free.
9. The Respondent's conduct described in the preceding Findings of Fact was reportable under the provisions of Sections 301.401-301.419, Texas Occupations Code.
