

7. On or about March 17, 2007, while employed as a Licensed Vocational Nurse with Solara Hospital - Harlingen, Harlingen, Texas, and after receiving reports on her patients and accepting a verbal report from the off-going Registered Nurse, Respondent left the facility without notifying the appropriate personnel. Respondent's conduct was likely to injure patients in that leaving the nursing assignment could have resulted in the patients not getting the care that they needed.
8. In response to Finding of Fact Number Seven (7), Respondent states that "the night prior (to 03-17-07), I was not feeling well , so I took medication and thought that by morning, I would feel okay to work. By morning, I was still cramping from what had appeared to be a stomach virus and my period, which alone from my medical condition (Endometriosis), is very painful. Upon arrival, I was experiencing more discomfort, so I never clocked in for the shift, and decided to leave."
