FORMAL CHARGES

This is a disciplinary proceeding under Section 301.452(b), Texas Occupations Code. Respondent, JANICE ANN CLARY, is a Registered Nurse holding license number 562126, which is in current status at the time of this pleading.

Written notice of the facts and conduct alleged to warrant adverse licensure action was sent to Respondent at Respondent's address of record and Respondent was given opportunity to show compliance with all requirements of the law for retention of the license prior to commencement of this proceeding.

CHARGE I.

On or about April 2007, while employed with Rowlett Health and Rehabilitation, Rowlett, Texas, Respondent may have lacked fitness to practice professional nursing in that Respondent lacked the ability to perform basic nursing duties, including: failing to properly document physician's orders, failing to follow protocol when seeing changes in patient status, and failing to notify the physician that a patient was sent to the hospital. Respondent's condition may have prevented the delivery of safe nursing care and deprived subsequent care-givers of essential information on which to base their on-going medical care.

The above action constitutes grounds for disciplinary action in accordance with Section 301.452(b)(10)&(13), Texas Occupations Code, and is a violation of 22 TEX. ADMIN. CODE §217.11(1)(A)(B)(D)(T)(P) and §217.12(1)(B)(E)&(5).

CHARGE II.

On or about June 2007, Respondent failed to comply with the Agreed Order issued to her on August 3, 2006, by the Board of Nurse Examiners for the State of Texas. Non-compliance is the result of her failure to comply with Stipulation Number Three (3) of the Order, which reads in pertinent part:

- (3) RESPONDENT SHALL, comply with all requirements of the TPAPN contract during its term.

A copy of the August 3, 2006 Agreed Order, Findings of Fact and Conclusions of Law is attached and incorporated by reference as part of this pleading.

Respondent was dismissed from treatment based on her failure to comply with the request to obtain an evaluation by both a psychiatrist and chemical dependency specialist. Additionally, Respondent was non-compliant with drug testing.

The above action constitutes grounds for disciplinary action in accordance with Section 301.452(b)(1)&(10), Texas Occupations Code, and is a violation of 22 TEX. ADMIN. CODE §217.12(9)&(11)(B).

NOTICE IS GIVEN that staff will present evidence in support of the recommended disposition of revocation of Respondent's license to practice nursing in the State of Texas pursuant to the Board's rules, 22 TEX. ADMIN. CODE §§ 213.27 - 213.33. Additionally, staff will seek to impose on Respondent the administrative costs of the proceeding pursuant to § 301.461, TEX. OCC. CODE ANN. The cost of proceedings shall include, but is not limited to, the cost paid by the board to the State Office of Administrative Hearings and the Office of the Attorney General or other Board counsel for legal and investigative services, the cost of a court reporter and witnesses, reproduction of records, board staff time, travel, and expenses. These shall be in an amount of at least one thousand two hundred dollars (\$1200.00).

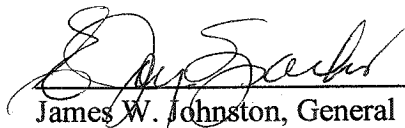

NOTICE IS GIVEN that all statutes and rules cited in these Charges are incorporated as part of this pleading and can be found at the Board's website, www.bon.state.tx.us.

NOTICE IS GIVEN that to the extent applicable, based on the Formal Charges, the Board will rely on Adopted Disciplinary Sanction Policies for Nurses with Chemical Dependency which can be found at the Board's website, www.bon.state.tx.us.

NOTICE IS ALSO GIVEN that Respondent's past disciplinary history, as set out below and described in the Order which is attached and incorporated by reference as part of these charges, will be offered in support of the disposition recommended by staff: Agreed Order dated August 3, 2006.

BEFORE THE BOARD OF NURSE EXAMINERS
FOR THE STATE OF TEXAS

In the Matter of Registered Nurse	§	AGREED
License Number 562126	§	
issued to JANICE ANN CLARY	§	ORDER

On this day the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the matter of JANICE ANN CLARY, Registered Nurse License Number 562126, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(9)&(10), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from El Centro College, Dallas, Texas, on May 1, 1990. Respondent was licensed to practice professional nursing in the State of Texas on August 31, 1990.
5. Respondent's professional nursing employment history includes:

August 1990 - August 1995

Staff Nurse
St. Joseph Hospital
Paris, Texas

Respondent's professional employment history continued:

August 1995 - June 1996	Staff Nurse Towne and Country Home Health Paris, Texas
July 1996 - August 1998	Staff Nurse Hopkins County Memorial Sulphur Springs, Texas
September 1998 - August 2000	Staff Nurse McCouston Hospital Paris, Texas
September 2000 - August 4, 2003	Staff Nurse Charlton Methodist Hospital Dallas, Texas
August 5, 2003 - January 1, 2004	Employment Unknown
January 2, 2004 - November 30, 2004	Staff Nurse Pleasant Manor Health and Rehabilitation Waxahachie, Texas
December 1, 2005 - Present	Employment Unknown

6. At the time of the initial incident, Respondent was employed as a Staff Nurse with Charlton Methodist Hospital, Dallas, Texas, and had been in this position for approximately two (2) years and ten (10) months.
7. On or about July 22, 2003, through July 23, 2003, while employed at Charlton Methodist Hospital, Dallas, Texas, Respondent withdrew Hydromorphone, Demerol, Morphine, Hydrocodone, and Ambien for patients, but failed to document the administration of Hydromorphone, Demerol, Morphine, Hydrocodone, and Ambien in patients' medical records and failed to follow the policy and procedure for the wastage of said medications. Respondent's conduct above was likely to injure the patients in that subsequent care givers would rely on her documentation to further medicate the patient which could result in an overdose. Respondent's conduct was also likely to deceive the hospital pharmacy and placed them in violation of Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act).

8. On or about July 23, 2003, while employed at Charlton Methodist Hospital, Dallas, Texas, Respondent withdrew Hydromorphone for a patient who was not admitted to the hospital at the time of the withdrawal. Respondent's conduct was likely to deceive the hospital pharmacy and placed them in violation of Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act).
9. On or about July 23, 2003, while employed at Charlton Methodist Hospital, Dallas, Texas, Respondent withdrew Hydromorphone and Demerol for patients without a physician's order. Respondent's conduct was likely to injure the patient in that the administration of Hydromorphone and Demerol in excess frequency and/or dosage of the physician's order could result in the patient suffering from adverse reactions.
10. On or about July 22, 2003, through July 23, 2003, while employed at Charlton Methodist Hospital, Dallas, Texas, Respondent misappropriated Hydromorphone, Demerol, Morphine, Hydrocodone, and Ambien belonging to the facility and patients thereof. Respondent's conduct was likely to defraud the facility and patients of the cost of the medications.
11. On or about July 25, 2003, while employed at Charlton Methodist Hospital, Dallas, Texas, Respondent engaged in the intemperate use of Lorazepam, Morphine, Hydromorphone, Hydrocodone and Meperidine, in that Respondent produced a specimen for a drug screen which resulted positive for Lorazepam, Morphine, Hydromorphone, Hydrocodone and Meperidine. Possession of Lorazepam, Morphine, Hydromorphone, Hydrocodone and Meperidine is prohibited by Chapter 481 of the Texas Health & Safety Code (Controlled Substances Act). The use of Lorazepam, Morphine, Hydromorphone, Hydrocodone and Meperidine by a Registered Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
12. On or about March 18, 2004, while employed at Pleasant Manor Health and Rehabilitation, Waxahachie, Texas, Respondent engaged in the intemperate use of Tramadol, in that she produced a specimen for a drug screen which resulted positive for Tramadol. Possession of Tramadol is prohibited by Chapter 481 of the Texas Health & Safety Code (Controlled Substances Act). The use of Tramadol by a Registered Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
13. On or about October 21, 2004, while employed at Pleasant Manor Health and Rehabilitation, Waxahachie, Texas, Respondent engaged in the intemperate use of Propoxyphene, in that she produced a specimen for a drug screen which resulted positive for Propoxyphene. Possession of Propoxyphene is prohibited by Chapter 481 of the Texas Health & Safety Code

(Controlled Substances Act). The use of Propoxyphene by a Registered Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.

14. The Respondent's conduct described in the preceding Findings of Fact was reportable under the provisions of Sections 301.401-301.419, Texas Occupations Code.
15. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
16. Respondent's conduct described in Findings of Fact Numbers Seven (7) through Thirteen (13) resulted from Respondent's dependency on chemicals.
17. Respondent's compliance with the terms of a Board approved peer assistance program should be sufficient to protect patients and the public.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.455, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(9)&(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(3),(4),(18)&(19) and §217.12(10)(A)&(10)(D)(effective September 28, 2004).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 562126, heretofore issued to JANICE ANN CLARY, including revocation of Respondent's professional license to practice nursing in the State of Texas.
5. The Board may, in its discretion, order a nurse to participate in a peer assistance program approved by the Board if the nurse would otherwise have been eligible for referral to peer assistance pursuant to Section 301.410, Texas Occupations Code.

The only other thing I can say is you need to listen to
what the nurse is trying to say to you. I also ask for a
