Dear Cynthia,

Thank you for your attention to my matter involving my voluntary surrender of my LVN and RN licenses.

Enclosed is my notarized statement for voluntary surrender. I appreciate all that the State Board and TPAPN have done for me in my career. I can never thank you enough and hope to resume my practice if I am ever physically able.

My response to the investigation regarding my inability to maintain employment:

As of May 8, 2008 I went off work on short term disability for a left knee surgery, this is the 7th of leg operations from a car accident in 1994. While recovering, I vomited and herniated my right L5-S1 disc. I have had three back surgeries within the last 8 months. At the time of my knee surgery, I had been actively employed and compliant with TPAPN for approximately 7 months.

At this time, I am unable to return to any practice and have been determined disabled by Social Security Disability.

I have enclosed my SSD information letter and notice of award for disability.

I am currently 4 months post -op on a lumbar fusion and continue rehabilitation. This has been a long journey, physically, yet I hope for the best in my future. Thanks to TPAPN and the State Board I also found recovery and sobriety, and that has forever changed my life! Thank you so much!

Sincerely,
