Privilege Associated with §

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of CLAUDIA DERINGTON, Vocational Nurse License Number 142687 and Nurse Licensure Compact Privilege associated with New Mexico Practical Nurse License Number L14616, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13) and 304.001, Article 3, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on February 9, 2009, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.

On or about March 23, 2006, while employed as a Charge Nurse with Children of the Pioneers, Denver City, Texas, Respondent was physically abusive to Resident R.R. in that she hit him on his forehead with her hand. Respondent's conduct was likely to cause physical injury and may have caused delayed distress for the resident, which may not be recognized or felt by the resident until harmful consequences occur.

8. In response to the incident in Finding of Fact Number Seven (7), Respondent admits to "popping" the patient with the palm of her hand on his forehead. She expresses remorse and explains it was reflex reaction to having her glasses knocked off her face by an agitated patient. She states she checked on this patient about two (2) hours later and he appeared to be asleep.
