\*\*\*\*\*

In the Matter of Vocational Nurse § AGREED  
License Number 173000 §  
issued to CARLOS EUGENE WOODS § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board considered the matter of CARLOS EUGENE WOODS, Vocational Nurse License Number 173000, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on January 1, 2009, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Nursing from Galen Health Institute, San Antonio, Texas, on January 29, 1999. Respondent was licensed to practice vocational nursing in the State of Texas on September 15, 1999.
5. Respondent's vocational nursing employment history includes:

9/1999 - 3/2004	Unknown	
6/2002 to 7/2005	Staff LVN	Mission Vista & Compass Hospital San Antonio, Texas

Respondent's vocational nursing employment history continued:

4/2004 to 7/2004	Staff LVN	Regent Care Center San Antonio, Texas
7/2005 to Unknown	Agency LVN	Medical Staffing Network San Antonio, Texas

6. At the time of the initial incident, Respondent was employed as an Agency LVN with Medical Staffing Network, San Antonio, Texas, and had been in this position for one (1) year.
7. On or about July 16, 2006, while employed as an Agency LVN with Medical Staffing Network, San Antonio, Texas, and on assignment at Hays Nursing and Rehabilitation Center, San Marcos, Texas, Respondent failed to properly identify Patient Medical Record Number 8105134, and erroneously administered this patient medications intended for another patient. Additionally, Respondent combined medications scheduled for 1600 hours and 1900 hours and administered them at 1830 hours, including three (3) antihypertensives and the diuretic, Lasix, which also lowers blood pressure. Less than an hour later, the patient's blood pressure decreased significantly and the patient required emergent admission to an acute care facility. Respondent's conduct injured the patient by causing a hypotensive crisis requiring hospitalization.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that he was passing medications and was having to go back and forth between patient rooms and the dining room. Respondent indicates that he had already administered medication to one of the residents in a room and then observed another resident leave that room with their family and go to the dining room. According to Respondent, he obtained the medication for the other resident in that room and administered it to the resident he observed leaving the room, but was later informed that it was the wrong resident. Respondent states that he notified the physician, monitored the patient, and arranged for the patient's transfer when it became necessary.
