"...No I did not work. On April 4, 2007, [patient's mother] told me not to come to work, that Nora, LVN wanted to see pt. She told me to go ahead and chart like I had her & that I would just make up my hours either that week or the next by keeping her over-night. On April 7, 2007, I asked her off due to it was long weekend from school & I had a lot of wedding stuff I had to finish... She said yes I could take off, she told me to go ahead & chart like on April 4, 2007 & I would make the hours up next week by keeping her over night. I wasn't to(sic) sure on doing all this, but I knew that all the other nurses that had worked there before had done this, they had told me & I had witnessed it."
