BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 736780 & §
Vocational Nurse §
License Number 201024 §
issued to SCOTTIE ALAN MYERS § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of SCOTTIE ALAN MYERS, Registered Nurse License Number 736780 and Vocational Nurse License Number 201024, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on December 29, 2008, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional and vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Cisco Junior College, Abilene, Texas, on August 26, 2005, and received an Associate Degree in Nursing from Cisco Junior College, Abilene, Texas, on December 16, 2006. Respondent was licensed to practice vocational nursing in the State of Texas on October 13, 2005, and was licensed to practice professional nursing in the State of Texas on January 18, 2007.

5. Respondent's nursing employment history includes:

8/2005 - 11/2005	Graduate Vocational Nurse	Hendrick Medical Center Abilene, Texas
12/2005 - 1/2006	Staff Vocational Nurse	Hendrick Medical Center Abilene, Texas
2/2006 - Present		Unknown

6. At the time of the initial incident, Respondent was employed as a Staff Vocational Nurse with Hendrick Medical Center, Abilene, Texas, and had been in this position for one (1) month.
7. On or about January 13, 2006, while employed as a Staff Vocational Nurse with Hendrick Medical Center, Abilene, Texas, Respondent incorrectly administered Clindamycin intravenously, at the rate of 1000cc/hr, to Patient Medical Record Number 870899, rather than at the rate of 100cc/hr, as ordered by the physician. Respondent's conduct was likely to injure the patient from adverse effects of antibiotic administered too rapidly, including allergic reactions and/or fluid volume overload.
8. On or about January 24, 2006, while employed as a Staff Nurse with Hendrick Medical Center, Abilene, Texas, Respondent incorrectly administered Vancomycin intravenously to Patient Medical Record Number 522549, rather than orally, as ordered by the physician. Respondent's conduct was likely to injure the patient from adverse effects of Vancomycin administered intravenously, including possible phlebitis, severe irritation and/or tissue necrosis.
9. In response to the incidents in Findings of Fact Numbers Seven (7) and Eight (8) Respondent states that he checked the order and thought the Clindamycin was administered as ordered. Respondent further states, "I suppose that it is possible that an extra zero was pushed into the pump by mistake. I was not aware that the pumps would or could be set for a rate that fast." Regarding the Vancomycin, Respondent states that he misread the order and did not see that it has ordered orally, reasoning that since the Vancomycin was dispensed in a syringe and was not compatible with the nitroglycerin being administered through the patient's only intravenous site, it should be administered intravenous push. Respondent further states he was a "Brand new LVN placed in an RN billet on a critical care floor". Respondent states he is willing to take responsibility for his actions.
