

6. On or about November 16, 1995, Respondent entered a plea of "GUILTY" to AGGRAVATED ASSAULT (a 3rd Degree Felony offense committed on April 4, 1994), in the 10th Judicial District Court, Galveston, Texas, under Cause No. 94CR1638. As a result, the proceedings against Respondent were deferred without entering an adjudication of guilt, and Respondent was placed on probation for a period of eight (8) years and ordered to pay court costs.
7. In response to Finding of Fact Number Six (6), Respondent states: She had a live in boyfriend who starting using and selling drugs out of her house. She asked the boyfriend to move out and he agreed, but stated a female friend was coming over to pick up some drugs. Respondent advised the boyfriend to call the female and tell her not to come. He never did and the female ended up coming to the house. Respondent was upstairs and yelled out the window to the female to "get off my property," but she did not move. Respondent grabbed a pistol and shot once in the air, and repeated, "get off my property." This time the female left and so did the boyfriend. Respondent was arrested three days later. Apparently the bullet ricocheted and went through the female's windshield and hit her wrist and neck.
8. On or about June 14, 2005, Respondent submitted an Application by NCLEX-PN Examination for Licensed Vocational Nurses to the Board of Nurse Examiners for the State of Texas in which she provided false, deceptive and/or misleading information, in that she answered "No" to the question:

"Have you ever been convicted, placed on community supervision whether or not adjudicated guilty, sentenced to serve jail or prison time or granted pre-trial diversion, or plead guilty, no contest or nolo contendere to any crime in any state, territory or country, or received a court order whether or not a sentence was imposed, including any pending criminal charges or unresolved arrests whether or not on appeal (excluding minor Class C traffic violations)? This includes expunged offenses and deferred adjudications with or without a finding of guilt. . . ."
9. In response to Finding of Fact Number Eight (8), Respondent states: She went to court in Galveston on November 14, 1995, with regards to the Aggravated Assault matter. The judge and attorney advised that she would have no record if she took the deferred adjudication. Respondent states, "All I can say now is that I was ignorant of the facts, I really believed I would have no record."
