BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse License Number 106912           §     AGREED  
issued to ROSE ELLA DAVIS   §     ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of ROSE ELLA DAVIS, Vocational Nurse License Number 106 hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on December 19, 2008, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Taylor Independent School District, Taylor, Texas, on August 21, 1984. Respondent was licensed to practice vocational nursing in the State of Texas on December 17, 1984.
5. Respondent's vocational nursing employment history includes:

1984-1995	Unknown	
1996-1999	Charge Nurse	Medical Professional Services Fort Worth, Texas

Respondent's vocational nursing employment history continued:

1999-2000	Charge Nurse	Sycamore Care Center Fort Worth, Texas
2000-2001	Charge Nurse	Will-O-Bell Bartlett, Texas
3/2001-2/2006	Charge Nurse	Heartwood Nursing and Rehab Taylor, Texas
4/2006-Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Charge Nurse with Heartwood Nursing and Rehab, Taylor, Texas, and had been in this position for four (4) years and eleven (11) months.
7. On or about February 21, 2006, while employed as a Charge Nurse with Heartwood Nursing and Rehabilitation Center, Taylor, Texas, Respondent failed to transfer Resident E.B. to the hospital, as ordered by the physician. Respondent did not inform the physician of her decision to not have the resident transported to the hospital and she did not document a follow up assessment of this resident in the medical record. Consequently, Resident E.B. experienced unnecessary delay in her treatment for dehydration and failure to thrive. Respondent's conduct was likely to injure the resident from non-efficacious care.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that when she came to the order in question regarding transfer of the resident to the Emergency Room (ER) for evaluation of dehydration and failure to thrive, she called the hospital and gave report to the ER nurse in charge, stating that the resident was a "98 year old resident, in no apparent distress and who would have flatly refused to go to the hospital, her condition being stable, appetite no different from her usual." According to Respondent, the ER nurse questioned that if resident was not admitted, doubting that the doctor on call would admit her, then who would transport the resident back to the nursing home? Respondent continues, indicating that by that time her shift had ended and she needed to confer with the oncoming nurse. Respondent informed the ER nurse that she could not be responsible for transporting the resident back to the nursing home, nor could the nurse or any of her staff on duty at that time, so the ER nurse suggested that the resident "wait till morning when someone who can take charge of her transportation as she is apparently in no sign of danger..." Respondent states that both she and the nurse on duty agreed on this plan.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555 , the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§ 217.11(1)(B),(1)(C),(1)(D),(1)(M),(1)(N)&(2)(A) and 217.12(1)(A)&(4).
