BEFORE THE BOARD OF NURSE EXAMINERS  
FOR THE STATE OF TEXAS

\*\*\*\*\*

In the Matter of §  
ANDREA RENEA HAMILTON § ORDER OF  
PETITIONER for Eligibility for § CONDITIONAL ELIGIBILITY  
Licensure §

On the date entered below, the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the Petition for Declaratory Order and supporting documents filed by ANDREA RENEA HAMILTON, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and PETITIONER's Certificate contained herein. Information received by the Board produced evidence that PETITIONER may have violated Section 301.452 *et seq.*, Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order offered on September 19, 2005, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. On or about February 14, 2005, Petitioner submitted a Petition for Declaratory Order requesting a determination of eligibility for licensure in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
2. Petitioner waived representation, notice, administrative hearing, and judicial review.
3. Petitioner is currently enrolled in a licensed vocational nursing program at Ranger Junior College, Early, Texas, with an anticipated graduation date of July 2005.
4. Petitioner completed the Petition for Declaratory Order and answered "yes" to Question Number Two (2), which reads as follows: "Have you been convicted, adjudged guilty by a court, plead guilty, no contest or nolo contendere to any crime in any state, territory or country, whether or not a sentence was imposed, including any pending criminal charges or

*unresolved arrests (excluding minor traffic violations)? This includes expunged offenses and deferred adjudications with or without prejudice of guilt. Please note that DUI's, DWI's, PI's must be reported and are not considered minor traffic violations. (One time minor in possession [MIP] or minor in consumption [MIC] do not need to be disclosed, therefore, you may answer "No". If you have two or more MIP's or MIC's, you must answer "Yes".)*

5. Petitioner disclosed the following criminal history, to wit:
  - A. On July 15, 2002, Petitioner was charged with the state jail felony offense of Possession of a Controlled Substance, in McCulloch County, Texas. Petitioner plead guilty and was placed on deferred adjudication for three (3) years and assessed a fine and court costs in the amount of One Thousand One Hundred Ninety-Eight Dollars (\$1198.00). Petitioner was ordered to pay One Hundred Forty Dollars (\$140.00) restitution. On July 15, 2005, Petitioner was dismissed from and completed the terms of her probation.
  - B. On October 24, 2002, Petitioner was arrested for the felony offense of Possession of a Controlled Substance in Brownwood, Brown County, Texas. On April 30, 2003, Petitioner was found to be in violation of her probation for the July 15, 2002, possession charge and her probation was amended and she was sent to Northeast Texas Treatment Center from July 1, 2003 until December 16, 2003, and then completed the remainder of her probation on July 15, 2005.
  - C. Petitioner has also been arrested for the following:
    - 1) On September 18, 2002, Petitioner was charged with the felony offense of Possession of a Controlled Substance in Eastland County, Texas. Petitioner's written explanation states that on December 2, 2002, the District Attorney rejected the charge and dismissed it for a pre-trial diversion on April 3, 2003.
6. There is no evidence of any subsequent criminal conduct.
7. On July 19, 2005, Petitioner was requested to undergo a Forensic Psychological Evaluation to include a Chemical Dependency Component and Polygraph Exam to determine eligibility. On September 7 & 8, 2005, Petitioner presented to Richard Connell, Ph.D., Lampasas, Texas, to undergo evaluation. The results of the report indicate that it is highly probable that Petitioner would be able to consistently behave in accordance with the requirements of TBNE Rules 213.27-213.29 at 22 Texas Administrative Code, as well as the minimum standards set by the Board's Rules 217.11 at 22 TAC and generally accepted nursing standards. Secondly, it appears likely that she would have a low probability of engaging in behaviors identified by the Board as constituting unprofessional conduct as elaborated in Rule 217.12.

- A letter of recommendation dated January 25, 2005, was submitted to the Board on behalf of Petitioner by Brenda Woolsey, RN, Assistant Professor, Ranger Junior College, Early, Texas.
  - A letter of recommendation was submitted to the Board on behalf of Petitioner by Kathy Brown, Ranger College, Early, Texas.
9. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public provided Petitioner complies with the stipulations outlined in this Order.
  10. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.
  11. Petitioner has sworn that her past behavior conforms to the Board's professional character requirements. Petitioner presented no evidence of behavior which is inconsistent with good professional character.
  12. Petitioner has been advised that any information found to be incomplete, incorrect, or misleading will be considered and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through misrepresentation.
  13. On or about September 19, 2005, the Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.

#### CONCLUSIONS OF LAW

1. The Board of Nurse Examiners has jurisdiction over this matter pursuant to Section 301.453, Texas Occupations Code.
2. Petitioner has submitted a petition in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
3. Petitioner's criminal history reflects criminal conduct which is grounds for denial of a license under Section 301.452 *et seq.*, Texas Occupations Code.
4. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452, Texas Occupations Code.
5. The Board may license an individual who has been previously convicted, adjudged guilty by a court, pled guilty or pled nolo contendere to any crime whether or not a sentence was

imposed upon consideration of the factors set out in 22 Texas Administrative Code §213.28 and evaluating the direct relationship to nursing according to Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.

6. The Board may license an individual with prior behaviors inconsistent with the Board's character requirements if, upon evaluation of the factors in 22 Texas Administrative Code §213.27, the Board is satisfied that the individual is able to consistently conform her conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
