FOR THE STATE OF TEXAS  
\*\*\*\*\*

In the Matter of	§	
DUSTY GEORGE McALISTER	§	ORDER OF
PETITIONER for Eligibility for	§	CONDITIONAL ELIGIBILITY
Licensure	§	

On the date entered below, the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the Application for Licensure by Examination and supporting documents filed by DUSTY GEORGE McALISTER, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and PETITIONER's Certificate contained herein. Information received by the Board produced evidence that PETITIONER may have violated Section 301.452(b)(3), Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order offered on April 10, 2005, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. On or about October 19, 2004, Petitioner submitted an Application for Licensure by Examination requesting a determination of eligibility for licensure in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
2. Petitioner waived representation, notice, administrative hearing, and judicial review.
3. Petitioner graduated with a Diploma in Vocational Nursing from Vernon College, Vernon, Texas, in December 2004.
4. Petitioner completed the Application for Initial Licensure by Examination and answered "yes" to Question Number One (1) which reads as follows: *"Have you ever been convicted, adjudged guilty by a court, plead guilty, no contest or nolo contendere to any crime in any state, territory or country, whether or not a sentence was imposed, including any pending criminal charges or unresolved arrest (excluding minor traffic violations)? This includes*

*expunged offenses and deferred adjudications with or without prejudice of guilt. Please note that DUI's, DWI's, PI's must be reported and are not considered minor traffic violations. (One time minor in possession [MIP] or minor in consumption [MIC] do not need to be disclosed, therefore, you may answer "No." If you have two or more MIP's or MIC's, you must answer "Yes.")*

5. Petitioner disclosed the following criminal history, to wit:
- A. On February 6, 1997, Petitioner was charged with the misdemeanor offense of Driving While Intoxicated in the County Criminal Court of Dallas County, Texas. Petitioner plead guilty, was sentenced to six (6) months probation and assessed a fine and court costs in the amount of Nine Hundred Seventy-Seven Dollars (\$977.00). On September 23, 1997, Petitioner's probation was revoked and he was sentenced to jail confinement and assessed a fine in the amount of One Hundred Fifty Dollars (\$150.00). On October 27, 1999, Petitioner was discharged from probation.
  - B. On August 12, 1997, Petitioner was charged with the misdemeanor offense of Theft of Stolen Property in the County Criminal Court of Dallas County, Texas. Petitioner pled guilty, was sentenced to jail time, and assessed a fine and court costs in the amount of Five Hundred Ninety-Seven Dollars (\$597.00).
  - C. On September 24, 1999, Petitioner was arrested for the misdemeanor offense of Driving While Intoxicated by the Duncanville Police Department which was reduced to Public Intoxication.
  - D. On September 13, 2001 and August 29, 2002, Petitioner was charged with the misdemeanor offense of Driving While License Suspended in the County Court at law of Kaufman County, Texas. Petitioner plead nolo contendere to both offense, served jail time, and was assessed fines and costs of court in the amount of One Thousand Two Hundred twenty-Two Dollars (\$1,222.00).
6. On March 21, 2005, Petitioner presented to John Lehman, Ph.D., Richardson, Texas, for a forensic psychological evaluation to include a chemical dependency component and a polygraph examination to determine eligibility to test. The results of the evaluation indicate that Petitioner is recommended for eligibility for licensure only under the following stipulations:
- (i) Petitioner needs to return to AA/NA, attending at least one (1) meeting a week for at least one (1) year after Petitioner has quit drinking.
  - (ii) Petitioner needs to stop drinking alcohol all together. Petitioner needs to refrain from all chemical use, including alcohol.
  - (iii) Petitioner's practice should be at least indirectly supervised to include random drug testing for at last one (1) year after licensing.
  - (iv) Petitioner's practice should not include working in high stress environments such as an ER or possibly an ICU due to his mild cognitive deficits.

With these stipulations, Petitioner could function within the guidelines of the Board of Nurse Examiners and would be safe to practice nursing. Petitioner sincerely wants to move ahead with a clean and sober life, but these changes are needed to insure that Petitioner will do so.

7. Petitioner presented evidence of current fitness to practice professional nursing.
8. The Board received letters of support/recommendation for Petitioner from the following:

  - A letter of reference dated April 13, 2005, was submitted to the Board on behalf of Petitioner by Kimberly Gilbert, R.N., B.S.N., Director of Nurses, Electra Memorial Hospital, Electra, Texas.
  - A letter of reference was submitted to the Board on behalf of Petitioner by Karen L. Oglesby, R.N., Wilbarger General Hospital, Vernon, Texas.

  - A letter of reference was submitted to the Board on behalf of Petitioner by Larry G. Gillispie, R.N., B.S.N., Wilbarger General Hospital, Vernon, Texas.
  - A letter of reference was submitted to the Board on behalf of Petitioner by Diana Gilley, LVN, Electra Memorial Hospital, Electra, Texas.
9. The safety of patients and the public requires that all persons licensed to practice nursing be fit, sober, and able to consistently practice nursing in autonomous roles under demanding and stressful conditions.

10. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.
11. Petitioner has sworn that, with the exception of matters disclosed in connection with the Application for Initial Licensure by Examination, his past behavior conforms to the Board's professional character requirements. Petitioner presented no evidence of behavior which is inconsistent with the Board's character requirements in 22 Texas Administrative Code §213.27.
12. On or about April 10, 2005, the Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.
13. In consideration of Petitioner's past conduct and subsequent evidence of rehabilitation, the Executive Director finds that Petitioner should be declared conditionally eligible to take the National Council Licensure Examination for Practical Nurses.
14. Petitioner's compliance with the terms of a Board approved peer assistance program should be sufficient to protect patients and the public.
