BEFORE THE BOARD OF NURSE EXAMINERS
FOR THE STATE OF TEXAS

In the Matter of Vocational Nurse § AGREED
License Number 114402 §
issued to CLYDIA MORTON § ORDER

On this day the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the matter of CLYDIA MORTON, Vocational Nurse License Number 114402, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(9)&(10), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on July 10, 2007, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Hill Junior College, Hillsboro, Texas, on August 26, 1985. Respondent was licensed to practice vocational nursing in the State of Texas on May 22, 1986.

5. Respondent's vocational nursing employment history includes:

May 1986 - 1999	Unknown
2000 - August 2001	LVN Southwest Nursing Center Fort Worth, Texas
September 2001 - September 2003	LVN Northwest Nursing Center Fayetteville, Arkansas
October 2003 - September 2004	LVN Springdale Health & Rehab Springdale, Arkansas
October 2004 - August 2005	LVN Colonial Manor Nursing Center Cleburne, Texas
January 2005 - June 2005	LVN Fireside Lodge Cleburne, Texas
July 2005 - Present	LVN Colonial Manor Nursing Center Cleburne, Texas

6. At the time of the initial incident, Respondent was employed as a Vocational Nurse with Colonial Manor Nursing Center, Cleburne, Texas, and had been in this position for eleven (11) months.

7. On or about August 22, 2005, while employed as a Licensed Vocational Nurse with Colonial Manor Nursing Center, Cleburne, Texas, Respondent engaged in the intemperate use of Cocaine, in that Respondent submitted a specimen for a post-accident drug screen which resulted positive for Cocaine. Possession of Cocaine is prohibited by Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act). The use of Cocaine by a Licensed Vocational Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.

8. Regarding the conduct outlined in Finding of Fact Number Seven (7), Respondent states

that she was unable to provide an adequate urine specimen so she mixed her urine with a nurse aide's urine to provide a specimen for the post-accident drug screen. Respondent admits to previous drug use but denied any drug use after becoming a nurse.

9. On April 18, 2007, Respondent underwent a forensic psychological evaluation performed by John M. Lehman, Ph.D., Clinical Psychologist, and a polygraph examination performed by Donald Ramsey, M.A., Polygraph Examiner, incorporating the results of the polygraph exam which yielded a finding of "no deception indicated." The following are Dr. Lehman's recommendations and conclusions:
 1. "Respondent is fit for duty. There are no indications of any psychological issues or chemical dependency issues that would impair her ability to function."
 2. "She does have a mild to moderate depression which would benefit from counseling, but I do not believe it would impair her ability to function as a nurse."
 3. "She clearly showed bad judgement in her decision to use someone else's urine. I think this was a spur of the moment decision and does raise some concerns about her judgement, but I do not believe it is at a level to impair her ability to function as a nurse."
10. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(9)&(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(5),(10)(A)&(D).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 114402, heretofore issued to CLYDIA MORTON, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
