BEFORE THE BOARD OF NURSE EXAMINERS
FOR THE STATE OF TEXAS

In the Matter of Vocational Nurse §
License Number 69257 § AGREED ORDER
issued to STEPHANIE ANN DAVIS §

On this day the Board of Nurse Examiners for the State of Texas, hereinaft referred to as the Board, considered the matter of STEPHANIE ANN DAVIS, Vocational Nur License Number 69257, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on June 12, 2007, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Dallas Vocational Nursing Program, Dallas, Texas, on August 31, 1976. Respondent was licensed to practice vocational nursing in the State of Texas on November 19, 1976.
5. Respondent's vocational nursing employment history is unknown.

6. At the time of the incidents, Respondent was employed as a vocational nurse with Grace Healthcare Services, Dallas, Texas, and had been in this position for approximately two (2) years.
7. On or about August 18, 2005, August 21, 2005, and August 25, 2005, while employed with Grace Healthcare Services, Dallas, Texas, Respondent documented skilled nursing visits which she had not performed for Patient Medical Record Number GH-1097. The patient was hospitalized on the dates Respondent documented the visits. When Respondent was questioned about the dates of the visits she went to the office and removed the notes from the charts without authorization. Respondent's conduct resulted in an inaccurate medical record and was likely to deceive subsequent care givers who relied on the accuracy of the information while providing care to the patient.
8. On or about August 18, 2005, August 21, 2005, and August 25, 2005, while employed with Grace Healthcare Services, Dallas, Texas, Respondent submitted Visit Log Sheets for payment of skilled nursing visits for Patient Medical Record Number GH-1097 which she had not performed. The patient was hospitalized on the dates of the visits. Respondent's conduct was likely to defraud the facility of payment for visits that were not performed.
9. On or about October 2005, while employed with Grace Healthcare Services, Dallas, Texas, Respondent misappropriated medications or failed to take measures to prevent misappropriation of the medications belonging to Patient Medical Record Number GH-1078, in that Respondent removed the medications from the home every evening after her shift. The medications included Hydrocodone, Darvocet, Lithium, and Xanax. Respondent's conduct was likely to defraud the patient of the cost of the medications.
10. Respondent states "The owner of the agency sent me a certified letter and called me and told me to come in and change dates on notes. Those notes were written under much stress from the agency owner and yes, I know that was wrong. I told her they were missed visits due to patient's hospitalization. The owner verbally pressured me into doing an act I know was wrong." Regarding Finding of Fact Number nine (9), Respondent states "I have never taken any medication from a patient. The patient in question gets medications from a local pharmacy and a mail order drug company. She and her husband are on some of the same medications (Xanax and Darvocet) and they take each others medications. I certainly have no use for Lithium and I am highly allergic to codeine. . . I advised both physicians that they were both giving the patient pain medication and with her other medications she was a high risk for falls . . . I offered to take a drug test and I was never called back. . ."

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.

3. The evidence received is sufficient to prove violation of Section 301.452(b)(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(6)(A)(G)&(H).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 69257, heretofore issued to STEPHANIE ANN DAVIS, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
