

5. Respondent's professional nursing employment history includes:

07/2002 - 11/2006	Staff Nurse	Women and Children's Hospital Lake Charles, Louisiana
12/2006 - 04/2007	Staff Nurse	Las Colinas Medical Center Irving, Texas
5/2007 - Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Staff Nurse with Las Colinas Medical Center, Irving, Texas, and had been in this position for one (1) month.
7. On or about January 8, 2007, while employed as a Staff Nurse with Las Colinas Medical Center, Irving, Texas, Respondent falsely documented two (2) sets of fraudulent vital signs in the medical record of Patient Number 4363317. The vital signs were to be taken every thirty (30) minutes; however, Respondent fabricated the last two (2) sets of the vital signs because the infant was not in the nursery. Respondent's conduct was deceptive and created an inaccurate medical record.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states she had not obtained the two (2) sets of vital signs because the infant was "weaned from the warmer and taken to the mom for the majority of the day." Respondent did not recall being informed during her preceptorship that vital signs must be obtained even when the infant was with the mother. Respondent states she "panicked" when asked about the vital signs and "made them up." Respondent states that she knows "what I did was wrong and inexcusable."
