In the Matter of Registered Nurse	§	
License Number 661218	§	AGREED
& Vocational Nurse	§	
License Number 168783	§	ORDER
Issued to DOUGLAS TIMOTHY McDONALD	§	

On this day the Board of Nurse Examiners for the State of Texas, hereinaf referred to as the Board, considered the matter of DOUGLAS TIMOTHY McDONALD, Registered Nurse License Number 661218 and Vocational Nurse License Number 168783, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on May 28, 2007, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas. Respondent's license to practice vocational nursing in the State of Texas is currently in "delinquent" status.

4. Respondent received a Certificate in Vocational Nursing from Angelina College, Lufkin, Texas, on August 7, 1998, and received an Associate Degree in Nursing from Angelina College, Lufkin, Texas, in May 1999. Respondent was licensed to practice vocational nursing in the State of Texas on September 17, 1998, and was licensed to practice professional nursing in the State of Texas on June 29, 1999.

5. Respondent's nursing employment history includes:

09/1998 - 03/2000	Staff Nurse	East Texas Medical Center Crockett, Texas
03/2000 - Unknown	Staff Nurse	Memorial Health System Lufkin, Texas
07/2002 - 12/2002	Flight Nurse	Goldstar Angel Flight Port Arthur, Texas
06/2003 - 01/2004	Staff Nurse	Memorial Hermann Hospital The Woodlands, Texas
02/2004 - 07/2005	Cardiac Cath Lab Nurse	Memorial Hermann Hospital The Woodlands, Texas
08/2005 - Present	Unknown	

6. On or about May 4, 1999, Respondent was issued a Declaratory Order of Conditional Eligibility for licensure by the Board. A copy of the Declaratory Order of Conditional Eligibility, Findings of Fact, Conclusions of Law and Order, dated May 4, 1999, is attached and incorporated by reference as part of this Order.

7. At the time of the incident in Finding of Fact Number Eight (8), Respondent was employed as a Cardiac Cath Lab Nurse with Memorial Hermann Hospital, The Woodlands, Texas, and had been in this position for one (1) year and five (5) months.

8. On or about July 19, 2005, while employed as a Cardiac Cath Lab Nurse with Memorial Hermann Hospital, The Woodlands, Texas, Respondent exceeded his authorized scope of practice by performing a left ventriculogram on Patient Number 37781189, and then removing the angiocatheter from the patient's left ventricle, without a physician being present. Respondent's conduct was likely to injure the patient from procedures that may have been performed incorrectly and that were delivered without the benefit of a physician's expertise in the event that the patient had an adverse reaction, including possible demise.

9. In response to the incident in Finding of Fact Number Eight (8), Respondent states that he had on numerous previous occasions performed a left ventriculogram and removed catheters from the left ventricles of patients under the direction and supervision of the physician. Accordingly, Respondent states he believed he was acting under the delegation of a physician and that he would not knowingly or intentionally act outside the scope of nursing practice. Regarding this patient, Respondent states the physician was called away from the cardiac cath suite mid procedure, so he proceeded with the ventriculogram and with removal of the catheter. When the physician returned, he reviewed the films and directed Respondent to deploy the arterial closure device. The patient was later discharged without incident.

### CONCLUSIONS OF LAW

2. Notice was served in accordance with law.
