In the Matter of Vocational Nurse           §     AGREED  
License Number 110728                       §  
issued to GLORIA ANN STEWART           §     ORDER

On this day the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the matter of GLORIA ANN STEWART, Vocational Nurse License Number 110728, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on March 13, 2007, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Panola Junior College-Marshall Extension, Marshall, Texas, on March 14, 1985. Respondent was licensed to practice vocational nursing in the State of Texas on June 2, 1985.

I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.  
*Katherine A. Thomas*  
Executive Director of the Board

5. Respondent's vocational nursing employment history includes:

6/85 to 1986	Licensed Vocational Nurse (LVN) Med-Tex Minor Medicine Marshall, Texas
1987 to 1988	LVN Silsbee Convalescent Center Silsbee, Texas
5/88 to 9/99	LVN Metroplex Hospital Killeen, Texas
10/99 to 2/00	Not employed in nursing
3/00 to 9/00	LVN Marshall Regional Hospital Marshall, Texas
10/00 to 12/00	Unknown
1/01 to 1/02	LVN Laird Memorial Hospital Kilgore, Texas
2/02 to 10/02	Not employed in nursing
11/02 to Present	LVN East Texas Medical Center- Tyler (ETMC-Tyler) Tyler, Texas

6. At the time of the incident in Finding of Fact Number Seven (7), Respondent was employed as a LVN with ETMC-Tyler, Tyler, Texas, and had been in this position for two (2) years and eight (8) months.

7. On or about July 19, 2005, while employed as a LVN with ETMC-Tyler, Tyler, Texas, Respondent obtained a throat culture for Patient Medical Record Number 0520312 using a culture swab that had been opened, had a broken seal, was labeled with another patient's name and had already been used to obtain a specimen for culture. The patient on whom the culture swab had already been used had previously tested positive for Human Immunodeficiency Virus (HIV). Respondent's conduct was likely to harm the patient from infection due to possible exposure to pathogens, and placed the patient at risk of contracting HIV specifically.

8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that she found the culture swab at the nurse's station, obtained it and went to the patient's room to collect the culture as ordered. The room had dim lighting, and the culture was still in the package. Respondent did notice that the culture had been opened, but did not notice that it already had been labeled with a patient's name until after she collected her specimen. Respondent immediately reported the incident to the physician and the patient.
