

Respondent's professional nursing employment history continued:

9/03 - 12/03	Unknown
1/04 - 3/05	Assistant Director of Nursing Lakecrest Village Healthcare Fort Worth, Texas
4/05 - 5/05	Director of Nursing White Settlement Nursing Center White Settlement, Texas
6/05 - 8/05	Director of Nursing Bellmire Health Care Facilities Bowie, Texas
9/05 - present	Unknown

6. At the time of the incident in Finding of Fact Number Seven (7), Respondent was employed as a Director of Nursing with Bellmire Health Care Facilities, Bowie, Texas, and had been in this position for two (2) months.
7. On or about August 10, 2005, while employed with Bellmire Health Care Facilities, Bowie, Texas, Respondent instructed nursing staff to rewrite and revise Resident B's nurses notes, who was discovered non-responsive and later expired. Upon learning of the resident's demise, Respondent reviewed the nurses notes and noted DW, LVN, had documented that she had checked the patient's medical record for a "do not resuscitate order" (DNR), prior to implementing cardiopulmonary resuscitation (CPR). Respondent felt this inappropriate act exposed the facility to medical liability and instructed DW, LVN, to revise her nurses notes to reflect CPR was immediately implemented. Furthermore, Respondent destroyed the original nurses notes. Respondent's conduct resulted in an inaccurate medical record which did not reflect the actual events that transpired concerning the resident's demise.
8. Respondent states that she clearly appreciates that her actions were wrong and realizes that she should not have ordered any changes, but should have supplemented the medical record if clarification was necessary.
