In the Matter of License Number 701162                   §     AGREED  
issued to CHRISTOPHER LEE REDDEN                   §     ORDER

On this day the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the matter of CHRISTOPHER LEE REDDEN, Registered Nurse License Number 701162, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(2) & (10), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on August 6, 2006, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Lee College, Baytown, Texas, on May 8, 2003. Respondent was licensed to practice professional nursing in the State of Texas on October 28, 2003.
5. Respondent's professional nursing employment history is unknown.
6. Respondent completed an application for initial licensure on May 6, 2003 and attested to the truth that *"I have never been convicted of or received a deferred order, with or without an adjudication of guilt, for any crime other than a minor traffic violation."*
7. Respondent failed to disclose the following criminal history, to wit:

On or about May 25, 2001, Respondent received a one (1) year deferred probation for the Class A misdemeanor offense of Assault on a Family Member. Respondent was discharged from probation on May 29, 2002.

On or about March 4, 2005, Respondent was arrested for Class A misdemeanor offense of Violation of a Protective Order which occurred on November 25, 2000. On June 20, 2005, Respondent was sentenced to one (1) year deferred probation. Respondent was discharged from probation on June 28, 2006.

8. Respondent completed an application for license renewal on April 10, 2005 and answered "No" to the question which reads as follows: *"Have you ever been convicted, adjudged guilty by a court, plead guilty, no contest or nolo contendere to any crime in any state, territory, or country, whether or not a sentence was imposed, including any pending criminal charges or unresolved arrest (excluding minor traffic violation) since the last renewal?"*
9. Respondent states that his reason for non disclosure is because he was under the impression that only nurses who have been convicted of a felony or misdemeanor that directly relates to the duties and responsibilities of the licenced occupation should report such offenses.

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.

4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 701162, heretofore issued to CHRISTOPHER LEE REDDEN, including revocation of Respondent's license to practice professional nursing in the State of Texas.
