2001 - 2002	Staff Nurse	Dogwood Trails Nursing Home, Palestine, Texas
2002 - 2003	Staff Nurse	West Park Nursing Home Eules, Texas
2003 - 2004	Staff Nurse	Greenbrier Nursing Home Palestine, Texas
09/2004 - 10/2004	Staff Nurse	Highland Pines Nursing Home Longview, Texas
11/2004 - Present		Not employed in nursing

6. At the time of the incident in Finding of Fact Number Seven (7), Respondent was employed as a Staff Nurse with Highland Pines Nursing Home, Longview, Texas, and had been in this position for one (1) month.
7. On or about October 30, 2004, through October 31, 2004, while employed as a Staff Nurse with Highland Pines Nursing Home, Longview, Texas, Respondent failed to take precautions to prevent misappropriation and/or loss of controlled substances, including her failure to secure the keys to the medication cart during her shift and leaving the premises at the end of her shift without counting and documenting the quantities of controlled substances, as required. As a result, sixty (60) tablets of Vicodin ES dispensed for Resident 2927 could not be located or accounted for at the end of Respondent's shift. Respondent's conduct was in violation of Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act) and resulted in the loss to the resident of the cost of medication.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that it was common facility practice to leave the keys hidden on the medication cart because there were not enough keys for the staff to use while administering medications. Respondent acknowledges the Vicodin came up missing, but denies that she took it, and explains that she had agreed to work the shift as an extra shift in order to provide nighttime nursing coverage. Respondent states that before agreeing to work the shift, she had been approved to leave before the end of shift the next morning so that she could take care of her children before school. Respondent states that she tried to get another nurse to count the controlled substances with her before the end of the shift, but the other nurse kept delaying and so Respondent finally left to take care of her children without counting.

9. Formal Charges were filed February 27, 2007.
10. Formal Charges were mailed to Respondent at her address of record on February 28, 2007.
