

BEFORE THE BOARD OF NURSE EXAMINERS
FOR THE STATE OF TEXAS

In the Matter of Vocational Nurse §
License Number 170106 § AGREED
issued to VONSHA RENEE WILEY § ORDER

I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.
Katherine A. Thomas
Executive Director of the Board

On this day the Board of Nurse Examiners for the State of Texas, hereinafter refer to as the Board, considered the matter of VONSHA RENEE WILEY, Vocational Nurse License Number 170106, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(8)(9)(10) & (13), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on March 9, 2007, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is licensed to practice vocational nursing in the State of Texas which is in delinquent status.
4. Respondent received a Certificate in Vocational Nursing from North Texas Career Institute, Dallas, Texas, on September 18, 1998. Respondent was licensed to practice vocational nursing in the State of Texas on October 27, 1998.
5. Respondent's complete vocational nursing employment history is unknown.

6. At the time of the incident in Finding of Fact Number Seven (7), Respondent was employed as a vocational nurse utilizing her multistate compact privilege through her license to practice vocational nursing in the State of Texas, and on assignment at Waverly Park Health Care Center, Tucson, Arizona. Respondent had been in this position for one (1) month.
7. On or about June 26, 2005, while employed as a vocational nurse utilizing her multistate compact privilege through her license to practice vocational nursing in the State of Texas, and on assignment at Waverly Park Health Care Center, Tucson, Arizona, Respondent withdrew narcotics but failed to document the administration in the patients' Medication Administration Records or Nurses notes. Respondent's conduct was likely to injure patients because subsequent caregivers would have relied on the undocumented information to further medicate the patient, which could result in overdose.
8. On or about October 4, 2005, Respondent pled guilty to Solicitation to Unlawfully Possess a Dangerous Drug (a Class Six Undesignated Offense committed on June 4, 2005) and Unlawful Possession of Drug Paraphanelia (a Class Six Undesignated Offense committed on June 4, 2005) before the Superior Court of the State of Arizona in and for the County of Pima. As a result of the guilty plea, Respondent was allowed to enter a treatment program in lieu of prosecution.
9. On of about January 25, 2006, Respondent's multi state compact privilege to practice nursing in the State of Arizona was revoked by the State of Arizona, Arizona State Board of Nursing. A copy of the January 25, 2006 Order to Revoke Multistate Licensure Privilege, Findings of Fact and Conclusions of Law is attached and incorporated, by reference, as part of this Order.
10. Respondent denies that she misappropriated any medications while employed with Waverly Park Health Care Center, Tucson, Arizona, because she "...never takes narcotics because her thing is street drugs." Respondent admits she has an addiction to methamphetamines and is currently in drug counseling.
11. The Respondent's conduct described in the preceding Findings of Fact was reportable under the provisions of Sections 301.401-301.419, Texas Occupations Code.
12. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
13. Respondent's conduct described in Findings of Fact Numbers Seven (7) through Ten (10) resulted from Respondent's dependency on chemicals..

14. Respondent's compliance with the terms of a Board approved peer assistance program should be sufficient to protect patients and the public.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.455, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(8), (9), (10) & (13), Texas Occupations Code, 22 TEX. ADMIN. CODE §217.11(1)(D), and 22 TEX. ADMIN. CODE §217.12(11)(B) & (13).
4. 5. The Board may, in its discretion, order a nurse to participate in a peer assistance program approved by the Board if the nurse would otherwise have been eligible for referral to peer assistance pursuant to Section 301.410, Texas Occupations Code.
