BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 596612 §
issued to KAY MIGNON ROBERTS § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of KAY MIGNON ROBERTS, Registered Nurse License Number 596612, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on February 7, 2008, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received a Baccalaureate Degree in Nursing from The University of Southern Colorado, Pueblo, Colorado, on May 1, 1993. Respondent was licensed to practice professional nursing in the State of Texas on September 22, 1993, and was licensed to practice professional nursing in the State of Colorado on March 1, 1995.
5. Respondent's professional nursing employment history includes:

09/1993 - 12/1994	Unknown
-------------------	---------

Respondent's professional nursing employment history continued:

01/1995 - 11/1995	Case Manager	Sangre de Cristo Hospice Pueblo, Colorado
12/1995 - 10/2000	Charge Nurse	Charlton Methodist Dallas, Texas
10/2000 - 12/2000	Case Manager	Odyssey Hospice Dallas, Texas
01/2001 - 11/2004	Staff Nurse	Charlton Methodist Hospital Dallas, Texas
12/2004 - Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Staff Nurse with Charlton Methodist Hospital, Dallas, Texas, and had been in this position for three (3) years and two (2) months.
7. On or about March 29, 2004, through March 30, 2004, while employed with Charlton Methodist Hospital, Dallas, Texas, Respondent failed to objectively assess and document the pain level of Patient SC before inappropriately administering Dilaudid intravenously (IV) for his low-level pain. Further, Respondent failed to assess and monitor his respiratory status after he received the Dilaudid. Patient SC was later found without pulse or blood pressure, and was pronounced deceased after attempted resuscitation. An autopsy determined that the cause of the patient's death was mild heart disease, obesity, and a history of sleep apnea. Respondent's conduct may have contributed to patient's demise.
8. In response to the incident in Finding of Fact Number Eight (8), Respondent states that she was the charge nurse for the shift and that Patient SC was assigned to a Licensed Vocational Nurse (LVN) who could not administer IV medication. Although the last pain assessment which was documented in the medical record indicated a pain level of two (2) to three (3), Respondent states she assessed patient's pain and was informed by the patient that his arm was "killing him." In response to the patient's statement, Respondent indicates that she administered the maximum dose of Dilaudid allowed by the physician's order along with Phenergan, and that the LVN assigned to the patient documented from midnight until 4:00 a.m. that the patient's respirations were "even and unlabored." The patient was found with no pulse and no respiration at 5:40 a.m.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE § 217.12(2),(3)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 596612, heretofore issued to KAY MIGNON ROBERTS, including revocation of Respondent's license to practice professional nursing in the State of Texas.
