

Respondent's professional nursing employment history (continued):

10/00-07/01	RN/staff nurse	Cedar Lake Nursing Home Malakoff, Texas
07/01-02/02	RN/ADON	Park Highlands Nursing and Rehab Center Athens, Texas
02/02-02/08	RN	Baylor University Medical Center Dallas, Texas
03/08-Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with Baylor University Medical Center, Dallas, Texas, and had been in this position for approximately five (5) years and eleven (11) months.
7. On or about February 3, 2008, while employed as a Registered Nurse with Baylor University Medical Center, Dallas, Texas, Respondent physically abused Patient Medical Record Number 01193753-011, in that she struck the patient twice in the face with a closed fist. Respondent's conduct was likely to injure the patient in that it could have resulted in the patient suffering emotional distress and/or physical injuries.
8. In response to Finding of Fact Number Seven (7), Respondent states, the patient "lunged forward hitting me in the right eye with her left hand and she hit and grabbed my throat with her right hand. At that time, out of fear for my safety and surprise, I hit her on the left outer orbital bone. I had no intent to harm her and even though I was afraid that I would be severely injured if she did not let go of my neck, I did know that hitting her where there was a bone would not cause her injury. My intent was not to harm her only to get her off of me."
