\*\*\*\*\*

In the Matter of Vocational Nurse § AGREED  
License Number 175432 §  
issued to TINA DORLEE BROOKS § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of TINA DORLEE BROOKS, Vocational Nurse License Number 175432, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10), Texas Occupations Code. Respondent waived informal conference, notice and hearing, and agreed to the entry of this Order offered on April 29, 2008, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from San Jacinto College South, Houston, Texas, on December 15, 1999. Respondent was licensed to practice vocational nursing in the State of Texas on February 29, 2000.
5. Respondent's vocational nursing employment history includes:
 

02/00 - 03/00	Unknown	
04/00 - 06/07	LVN	Harris County Juvenile Probation Department Houston, Texas

Respondent's vocational nursing employment history continued:

07/07 - present	LVN	University of Texas Medical Branch Jester IV Psychiatric Unit Richmond, Texas
-----------------	-----	---

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with Harris County Juvenile Probation Department, Houston, Texas, and had been in this position for approximately seven (7) years.
7. On or about April 12, 2007, while employed with Harris County Juvenile Probation, and on assignment at Burnett Bayland Reception Center, Houston, Texas, Respondent initialed government documents attesting that temperature logs had been maintained to monitor the vitality of the vaccines administered to the juvenile population. The documents were blank. Respondent states that she was asked by her supervisor to initial dates on a temperature log that she believed she had worked, and knew that the refrigeration temperature was correct. These documents were then presented to the Public Health Department in a vaccine audit. Respondent's conduct was likely to deceive the Public Health Department in that falsified temperatures were presented as if they were correct.
8. Regarding the incident in Finding of Fact number Seven (7), Respondent states that she initialed some days for the month of March that she believed she had worked. Respondent states that she informed her supervisor that on the days that she worked she was sure the temperatures were within normal range, as she knew if a day had been off temperature, she would have had to report it. Respondent states she did not report any off temperatures for the month of March. Respondent states that she does not know what happened to the original temperature log, that she was obligated to fill in her shift and she was not in charge of the temperature logs.
9. Respondent does not have a prior disciplinary history with the Texas Board of Nursing.

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.

4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 175432
