

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 207629 §
issued to VALERIE KUNZE HOWARD § ORDER

I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.
Katherine A. Thomas
Executive Director of the Board

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of VALERIE KUNZE HOWARD, Vocational Nurse License Number 207629, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(9) & (10), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on June 17, 2008, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from McLennan Community College, Waco, Texas, on August 11, 2006. Respondent was licensed to practice vocational nursing in the State of Texas on December 14, 2006.

5. Respondent's vocational nursing employment history includes:

05/05-02/07	CNA	Hillcrest Baptist Medical Center Waco, Texas
02/07-10/07	LVN	Hillcrest Baptist Medical Center Waco, Texas
10/07-12/07	Unknown	Unknown
01/08-present	LVN	Royal Manor Health Center Waco, Texas

6. At the time of the incident in Finding of Fact Number Seven (7), Respondent was employed as a Licensed Vocational Nurse with Hillcrest Baptist Medical Center, Waco, Texas, and had been in this position for approximately eight (8) months.
7. On or about September 30, 2007, while employed as a Licensed Vocational Nurse at Hillcrest Health System, Waco, Texas, Respondent engaged in the intemperate use of Morphine, in that she produced a specimen for a post-accident drug screen which resulted positive for Morphine. Possession of Morphine, without a valid prescription, is prohibited by Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act). The use of Morphine by a Licensed Vocational Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
8. In response to Finding of Fact Number Seven (7), Respondent stated she had been recovering from two surgeries within the last ten (10) months and felt something pull in her abdomen on September 30, 2007. She was in a great deal of pain and found an old prescription of morphine in a nasal spray from 2000. She took the remaining three (3) doses over the following three (3) days. Due to the fact that the nasal bottle got thrown away, Respondent was unable to produce a valid and current prescription to her employer, resulting in her termination from Hillcrest Baptist Medical Center.
9. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(9)&(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(5),(10)(A)&(D).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 207629, heretofore issued to VALERIE KUNZE HOWARD, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
