6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with Panola Nursing and Rehabilitation Center, Carthage, Texas, and had been in this position for approximately one (1) year and four (4) months.
7. On or about February 2008, while employed as a Licensed Vocational Nurse with Panola Nursing and Rehabilitation Center, Carthage, Texas, Respondent made false entries in the medical records for Patient with Medical Record Numbers 1532, 1534, and 1613, in that she documented nursing care and assessments which she had not provided. Respondent's conduct was likely to injure patients in that failure to administer treatments as ordered by the physician could have resulted in nonefficacious treatment.
8. In response to Finding of Fact Number Seven (7), Respondent states that at the time she was ill and admits that she did sign off in the treatment book as completing the treatment, when in fact she had not. Furthermore, she states that her actions were not deliberate or with malice, but an oversight. She intended to complete what she documented as complete, but in the midst of a busy day, not feeling well, and the emotional strain of coping with the grave illness of her mother, she forgot to complete the task.
