| Number R51951, Issued to | § | |
| APRIL DAWN AZEVEDO, Respondent and | § | |
| Texas Permanent License Number 694042 issued | § | |
| to APRIL DAWN AZEVEDO | § | ORDER |

An investigation by the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, produced evidence indicating that APRIL DAWN AZEVEDO, hereinafter referred to as RESPONDENT may have violated Section 301.452(b)(10) & (13), Texas Occupations Code. Respondent is a Registered Nurse in the State of New Mexico, a member of the Nurse Licensure Compact, holding license number R51951, which is in Active status, and holds Texas Permanent License Number 694042, which is Multi State Regulation (MSR) Invalid status.

An informal conference was held on June 7, 2006, at the office of the Board of Nurse Examiners, in accordance with Section 301.464, of the Texas Occupations Code.

Respondent appeared in person. Respondent was represented by Courtney Newton, Attorney at Law. In attendance were Katherine A. Thomas, MN, RN, Executive Director; James W. Johnston, General Counsel; Anthony L. Diggs, MSCJ, Director, Enforcement Division; Skylar Caddell, RN, Lead Investigator; Kevin Freemyer, Investigator; and Cynthia A. Smith, Supervising Investigator.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent holds a home state license to practice professional nursing in the State of New Mexico which is in current status with no encumbrances
4. Respondent received a Baccalaureate in Nursing from New Mexico State University, Las Cruces, New Mexico on December 1, 2002. Respondent became licensed in the State of New Mexico on March 10, 2004.
5. Respondent's professional employment history includes:

| | | |
|----------------|-------------|---|
| 2/03 - 3/06 | Staff Nurse | Del Sol Medical Center El Paso, Texas |
| 4/06 - present | Staff Nurse | Rehabilitation Hospital of Southern New Mexico Las Cruces, New Mexico |
6. At the time of the incidents in Findings of Fact Numbers Seven (7) and Eight (8), Respondent was employed as a Staff Nurse in the Cardiac Intensive Care Unit with Del Sol Medical Center, El Paso, Texas, and had been in this position for three (3) years and one (1) month.
7. On or about March 11, 2006, while working on a multi state compact privilege associated with her license to practice professional nursing in the State of New Mexico, and employed with Del Sol Medical Center, El Paso, Texas, Respondent failed to administer medications in a responsible manner in that she administered 10 mg Norcuron (a paralytic) to non-intubated Patient Number V84592487 for "shivering," despite protests by other staff nurses, and without a valid physician's order. Within seconds of the administration of the Norcuron, Patient Number V84592487 began to experience symptoms of respiratory and cardiac arrest and subsequently expired. Respondent's conduct may have resulted in the patient's death. Respondent denies that the medication was administered for "shivering" and that it was given despite protests from other staff nurses.

8. On or about March 11, 2006, while working on a multi state compact privilege associated with her license to practice professional nursing in the State of New Mexico, and employed with Del Sol Medical Center, El Paso, Texas, Respondent completely re-wrote the original "C.P.R." record for Patient Number V84592487, which contained documentation of resuscitation attempts for Patient Number V84592487. Furthermore, Respondent inaccurately documented the time the code was initiated, falsely documented a physician's order for Norcuron for intubation and then threw the original "C.P.R." record in the "HIPAA bin" to be destroyed. Respondent's conduct resulted in an inaccurate "C.P.R." record which subsequent caregivers would rely to base their on-going medical care. Respondent denies placing the original CPR record in the "HIPAA bin" and asserts that she left both code sheets at the nurses' desk.
9. Charges were filed on April 25, 2006.
10. Charges were mailed to Respondent on April 25, 2006.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove a violation of Section 301.452(b)(10) & (13) Texas Occupations Code, 22 TEX. ADMIN. CODE §217.11(1)(C),(D) & (N) and 22 TEX. ADMIN. CODE §217.12(1)(A)&(C), & (4), (6)(A)&(H), .
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Multi State Compact Privilege associated with Permanent New Mexico License Number R51951 and Texas Permanent License Number 694042, heretofore issued to APRIL DAWN AZEVEDO, including revocation of Respondent's professional license to practice nursing in the State of Texas.
