BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of Registered Nurse § AGREED  
License Number 638669 §  
issued to SARAH JANE ERICKSON § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of SARAH JANE ERICKSON, Registered Nurse License Number 638669, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10) & (12), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on November 27, 2007, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from El Centro College, Dallas, Texas, on December 1, 1996. Respondent was licensed to practice professional nursing in the State of Texas on March 4, 1997.

5. Respondent's professional nursing employment history includes:

March 1997 - October 2003	RN Baylor Institute for Rehabilitation Dallas, Texas
November 2003 - February 2006	Unknown
March 2006 - October 2006	RN Mesquite Community Hospital Mesquite, Texas
November 2006 - Present	Unknown

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with Baylor Institute for Rehabilitation, Dallas, Texas, and had been in this position for five (5) years and seven (7) months.
7. On or about October 12, 2002 and October 13, 2002, while employed with Baylor Institute for Rehabilitation, Dallas, Texas, Respondent failed to administer Coumadin 3mg to Patient Medical Record Number 131415 per physician's orders. Respondent's conduct was likely to injure the patient in that failure to administer medications as ordered by the physician could have resulted in nonefficacious treatment.
8. On or about October 12, 2002 and October 13, 2002, while employed with Baylor Institute for Rehabilitation, Dallas, Texas, Respondent withdrew Pepcid, Cardura, Colace, Mylicon, Seroquel, Humibid LA, Ambien, Peridex, Nystatin, Cleocin, Deseryl and Boost-All, for patients but failed to accurately and/or completely document the administration of said medications in patients' medical records. Respondent's conduct was likely to injure the patients in that subsequent care givers would rely on her documentation to further medicate the patients which could result in an overdose.
9. On or about October 12, 2002 and October 13, 2002, while employed with Baylor Institute for Rehabilitation, Dallas, Texas, Respondent lacked fitness to practice professional nursing in that she was observed by co-workers to be shaking and jittery. She was also observed to be angry and emotional, including crying in front of patients. Respondent's condition could have affected her ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected her ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patients in potential danger.

10. The Respondent's conduct described in the preceding Findings of Fact was reportable under the provisions of Sections 301.401-301.419, Texas Occupations Code.
11. In a letter to the Board, received on April 10, 2007, Respondent states that she was hospitalized at Green Oaks Hospital, Dallas, Texas, and Timberlawn Hospital, Dallas, Texas. Respondent admits that she suffers from Bipolar Disorder and is requesting that the Board allow her to return to the Texas Peer Assistance Program for Nurses (TPAPN).
12. Respondent's conduct described in Findings of Fact Numbers Seven (7), Eight (8) and Nine (9) was significantly influenced by Respondent's impairment by mental illness.
13. Respondent's compliance with the terms of a Board approved peer assistance program should be sufficient to protect patients and the public.

#### CONCLUSIONS OF LAW
