BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 739784 §
issued to SOSAMMA PHILIP § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of SOSAMMA PHILIP, Registered Nurse License Number 739784, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived informal conference, notice and hearing, and agreed to the entry of this Order offered on November 18, 2007, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received a Diploma in Nursing from J. J. Group of Hospitals, Bombay, India, on December 14, 1971. Respondent was licensed to practice professional nursing in the State of Texas on March 20, 2007.
5. Respondent's nursing employment history includes:

04/1972 to 05/1983	Registered Nurse	J. J. Group of Hospitals Bombay, India
06/1983 to 12/1995	Registered Nurse	Sohar Hospital Sohar, Oman

Respondent's nursing employment history continued:

01/1996	Unknown	
02/1996 to 07/2001	Staff Nurse	Dr. Gopkumar Memorial Clinic Kerala, India
08/2001 to 09/2001	Unknown	
10/2001 to 02/2007	Nurse Assistant	Doctors' Hospital Parkway Houston, Texas
03/2007 to 07/2007	Staff Nurse	Doctors' Hospital Parkway Houston, Texas
08/2007 to 09/2007	Unknown	
10/2007 to Present	Staff Nurse	Health South Houston, Texas

6. At the time of the initial incident, Respondent was employed as a Staff Nurse with Doctors' Hospital Parkway, Houston, Texas, and had been in this position for four (4) months.
7. On or about July 18, 2007, while employed as a Staff Nurse with Doctors' Hospital Parkway, Houston, Texas, Respondent failed to ensure that the identity of Patient Medical Record Number M0074352 was verified at the patient's bedside by both herself and the transfusionist, as required, prior to the transfusionist administering blood to the patient. As a result, the transfusionist administered blood that was intended for a different patient, which happened to be the same type as that intended for Patient Medical Record Number M0074352. The patient suffered no known adverse reactions. Respondent's conduct, however, was likely to injure the patient from adverse transfusion reactions to blood that might not have been compatible, including possible demise.
8. In response to the incident in Finding of Fact Number Seven, Respondent states that she was in the process of preparing to administer a pain medication which was requested by one of her other patients when she was approached to verify a unit of blood to be administered to one of the transfusionist's patients. Respondent was not the transfusionist, but failed to ensure that the patient's identity corresponded with the unit of blood which was to be administered. According to Respondent, the transfusionist nurse then started the blood transfusion.
