BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 728345 §
issued to BREA ANNE PRICE § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board considered the matter of BREA ANNE PRICE, Registered Nurse License Number 728345, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(9) & (10); Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on April 15, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from North Harris Montgomery Community College, Houston, Texas on May 13, 2006. Respondent was licensed to practice professional nursing in the State of Texas on June 8, 2006.
5. Respondent's professional nursing employment history includes:

06/06 - 11/06	RN	Banner Mesa Medical Center Mesa, Arizona
---------------	----	---

Respondent's professional nursing employment history continued:

12/06 - 01/07	RN	East Houston Regional Medical Center Houston, Texas
02/07 - 12/08	RN	Houston Northwest Medical Center Houston, Texas
01/08 - Present	RN	Medical Staffing Network Houston, Texas
07/08 - Present	RN	MedRelief Staffing Houston, Texas
02/09 - Unknown	RN	Memorial Hermann Northwest Houston, Texas

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with East Houston Regional Medical Center, Houston, Texas, and had been in this position for one (1) month.
7. On or about January 30, 2007, while employed with East Houston Regional Medical Center, Houston, Texas, Respondent removed Dilaudid 2mg for Patient D.B. from the Acudose medication dispensing system but failed to follow facility policy and procedure in place for the wastage of the unused portions of the Dilaudid. Respondent's conduct was likely to deceive the hospital pharmacy and placed them in violation of Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act).
8. On or about January 30, 2007, while employed with East Houston Regional Medical Center, Houston, Texas, Respondent misappropriated Dilaudid belonging to the facility and patients, thereof, or failed to take precautions to prevent such misappropriation. Respondent was then requested to submit a specimen for a drug screen which she refused to do. Respondent's conduct was likely to defraud the facility and patients of the cost of the medications.
9. On or about February 23, 2009, while employed with Memorial Hermann Northwest Hospital, Houston, Texas, Respondent engaged in the intemperate and/or unlawful use of alcohol, alprazolam, hydrocodone, and hydromorphone in that she submitted a specimen for a drug screen which resulted positive for alcohol, hydrocodone, and hydromorphone. Possession of alprazolam, hydrocodone, and hydromorphone without a valid prescription is prohibited by Chapter 481 of the Texas Health & Safety Code (Controlled Substances Act). The use of alcohol, alprazolam hydrocodone, and hydromorphone by a Registered Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make

rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.

10. Regarding the conduct outlined in Findings of Fact Numbers Seven (7) and Eight (8), Respondent states that during shift change she was holding the vials of labs and placing them in a bag to be sent to the lab for the same patient that the narcotic was ordered for. She states that while giving report, she had the labs and vial of Dilaudid in her hand and was placing the labs in the bag. While doing so she forgot the Dilaudid was also in her possession and it got sent to the lab with the vials of blood by mistake. Respondent admits to the mistake and admits the medication should have been wasted and she did not waste it. She states that she has taken many precautions since the incident to make sure it will not happen again. Regarding the conduct outlined in Finding of Fact Number Nine (9), Respondent states that she was off duty on February 22, 2009 and ingested alcohol with the last drink being ingested at 2100. She states that she went to sleep at 2200 and reported for work the next day at 0645. She states that during shift report the off going RN felt he detected the smell of alcohol on her breath. Respondent states that she was asked to give a urine sample which she provided. Respondent states that the sample tested positive for alcohol due to drinking the night before and that she was not impaired at the time she reported to work. She adds that her manager agreed but due to policy she was asked to submit a urine sample.
11. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(9) & (13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(5), (6)(G), (10)(A), (C) & (D) and (11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 728345, heretofore issued to BREA ANNE PRICE, including revocation of Respondent's license to practice professional nursing in the State of Texas.
