WHEREFORE, PREMISES CONSIDERED, the Texas Board of Nursing does hereby ratify and adopt the Agreed Eligibility Order that was signed on the 18th day of June, 2013, by CARMEN RUTH PACE, Vocational Nurse License Number 167412 and PETITIONER for Eligibility for Licensure, and said Order is final.

Effective this 6th day of August, 2013.

Katherine A. Thomas, MN, RN, FAAN
Executive Director on behalf
of said Board

Respondent's vocational nursing employment history continued:

September 1995-April 1998	Staff Nurse Florence Nursing Service Greenville, South Carolina
June 1998- January 2007	Staff Nurse Brooke Army Medical Center San Antonio, Texas
November 2006-Unknown	Per Diem Nurse Reachout Home Care Plano, Texas
January 2007- Present	Staff Nurse Plano Speciality Hospital Plano, Texas

6. At the time of the incidents in Findings of Fact Numbers Seven(7), Eight (8), and Ten (10), Respondent was employed as a vocational nurse with Brooke Army Medical Center, San Antonio, Texas, and had been in this position for approximately eight (8) years and six (6) months.
7. On or about December 3, 2005, while employed with Brooke Army Medical Center, San Antonio, Texas, Respondent altered and falsely documented pulse oximetry readings to reflect normal values for Patient MR #5108537, who was assigned to her care. Subsequently, Patient MR #5108537 experienced respiratory distress and was intubated and placed on mechanical ventilation. Respondent's actions exposed said patient to unnecessary medical interventions, pain, and additional distress.
8. On or about December 3, 2005, while employed with Brooke Army Medical Center, San Antonio, Texas, Respondent failed to notify a physician or a nurse supervisor of the change in condition of Patient MR #5108537 in that said patient was experiencing abnormal pulse oximetry levels, tachypnea, and tachycardia. Subsequently Patient MR #5108537 was intubated and placed on mechanical ventilation. Respondent's failure denied said patient of adequate and timely non invasive medical interventions.

9. In response to Findings of Fact Numbers Seven (7) and Eight (8), Respondent admits altering the pulse oximetry readings for Patient MR #5108537, but denies failing to contact a physician. Respondent states that she contacted a physician when Patient MR #5108537's pulse oximetry readings were low, although said patient exhibited no signs of distress. Respondent adds that she was instructed by the physician to change the pulse oximetry readings accordingly. Respondent states that her actions reflected poor judgment on her behalf.
10. On or about November 23, 2006, through December 25, 2006, while employed with Brooke Army Medical Center, San Antonio, Texas, and while caring for Patient JD, Respondent failed to completely and accurately document patient care provided as evidenced by a medical records audit conducted by Brooke Army Medical Center. Respondent's failure may have denied subsequent caregivers of critical information on which to base their plan of care.
11. In response to Finding of Fact Number Ten (10), Respondent states that the policies regarding patient care documentation at Brooke Army Medical Center were not followed as dictated. Respondent adds that each registered nurse utilized a different approach in monitoring licensed vocational nurses under their supervision. Respondent adds that inconsistencies in following facility policies by registered nurses caused confusion and variations in documentation.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(13), Texas Occupations Code, 22 TEX. ADMIN. CODE §217.11(1)(B),(1)(D),(1)(P), and 22 TEX. ADMIN. CODE §217.12(1)(B),(1)(C),(4) &(6)(A).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 167412, heretofore issued to CARMEN RUTH PACE, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
