IN RE:

MARIE FOLEY, L.P.N.

0029000019

ORDER

In accordance with §§ 2.2-4019, 2.2-4021 and 54.1-2400(10) of the Code of Virginia (1950), as amended ("Code"), an informal conference was conducted on behalf of the Board of Nursing ("Board") on September 30, 2009, in Henrico County, Virginia. Marie Foley, L.P.N., was not present nor was she represented by legal counsel. Jane Elliott, R.N., Ph.D., serving as Agency Subordinate for the Board, submitted a Recommended Decision for consideration.

On November 18, 2009, a quorum of the Board met to receive and act upon the Recommended Decision of the Agency Subordinate. Ms. Foley was not present nor was she represented by legal counsel.

Based upon its review of the Recommended Decision of the Agency Subordinate, the Board makes the following Findings of Fact and Conclusions of Law and issues the following Order.

FINDINGS OF FACT

1. Marie Foley, L.P.N., was issued a license (PN 157894) to practice as a licensed vocational nurse in the state of Texas on July 2, 1996. On March 14, 2007, she was hired as a licensed practical nurse at Blue Ridge Nursing Center, Stuart, Virginia, at which point she held a valid, active compact license in Texas with multi-state privileges to practice. In May, 2007, Ms. Foley submitted an application for licensure by endorsement in the Commonwealth of Virginia, and listed Texas as her primary state of residence. By letter dated May 30, 2007, the Virginia Board of Nursing ("Board") advised Ms. Foley that her application for licensure could not be processed due to her multi-state Texas compact license, which authorized her to practice in all 17 compact states, including Virginia. According to information provided by Ms. Foley, in 2007, Ms. Foley notified the Texas Board of

Nursing (“Texas Board”) that “West Virginia” was her primary state of residence. When Ms. Foley renewed her Texas license in September of 2008, her Texas compact license was changed to single state because she had listed West Virginia, which is a non-compact state, as her primary state of residence. On March 5, 2009, Ms. Foley notified the Texas Board that Virginia was her primary state of residence, which then changed her Texas licensure status to “invalid.” However, on May 22, 2009, Ms. Foley presumably advised the Texas Board that Texas was her primary state of residence as she was again issued a valid, active compact license in Texas with multi-state privileges to practice.

2. By letter dated September 4, 2009, the Board sent a Notice of Informal Conference (“Notice”) to Ms. Foley notifying her that an informal conference would be held on September 30, 2009. The Notice was sent by overnight mail to 2934 Wayside Road, Stuart, Virginia 24171, the address of record on file with the Board of Nursing. Information obtained from the United States Postal Service website indicated that the letter was delivered to Ms. Foley’s address of record on September 8, 2009. The Agency Subordinate concluded that adequate notice was provided to Ms. Foley and the informal conference proceeded in her absence.

3. On January 7, 2009, during the course of her employment with Blue Ridge Nursing Center, Stuart, Virginia, Ms. Foley failed to respond appropriately to an emergent situation in which Resident A choked on a banana and died. More specifically, she did not direct anyone to perform a finger sweep of the resident’s mouth or to call 911, nor did she, herself, attempt a finger sweep of the resident’s mouth or call 911. As a result, Ms. Foley’s employment was terminated.

4. When interviewed by an investigator with Virginia Department of Health Professions on February 25, 2009, Ms. Foley stated that the resident was a DNR status and that the resident had already expired when she entered the room. However, according to the Director of Nursing, when Ms. Foley was questioned regarding her failure to do a finger sweep of the resident’s mouth, or to call 911,

she stated that she “didn’t think of it, and he was a DNR.”

5. Because of Ms. Foley’s errors in making application for licensure in Virginia and Texas, between September 28, 2008, and January 7, 2009, during the course of her employment with Blue Ridge Nursing Center, Ms. Foley practiced as a practical nurse without a current, valid license or multi-state licensure privilege to practice nursing in the Commonwealth of Virginia.

### CONCLUSIONS OF LAW

1. Finding of Fact No. 3 constitutes a violation of § 54.1-3007(2), (5), and (8) of the Code and 18 VAC 90-20-300(A)(2)(f) of the Regulations Governing the Practice of Nursing.

2. Finding of Fact No. 5 constitutes a violation of § 54.1-3007(3) and 54.1-3008(A)(2) of the Code.

### ORDER

WHEREFORE, it is hereby ORDERED as follows:

1. Marie Foley, L.P.N., is hereby REPRIMANDED.
2. Ms. Foley shall pay a MONETARY PENALTY of \$300.00 to the Board within 60 days of the entry of this Order.
3. Ms. Foley shall maintain a course of conduct in her capacity as a practical nurse commensurate with the requirements of § 54.1-3000 *et seq.* of the Code and the Board of Nursing Regulations.

Since Ms. Foley failed to appear at the informal conference, this Order shall be considered final. Ms. Foley has the right to appeal this Order directly to the appropriate Virginia circuit court. As provided by Rule 2A:2 of the Supreme Court of Virginia, Ms. Foley has thirty (30) days from the date of service (the date she actually received this decision or the date it was mailed to her, whichever occurred first) within which to appeal this decision by filing a Notice of Appeal with Jay P. Douglas, R.N., M.S.M.,

C.S.A.C., Executive Director, Board of Nursing, at Perimeter Center, 9960 Mayland Drive, Suite 300, Richmond, Virginia 23233. In the event that this decision is served by mail, three (3) days are added to that period.

Pursuant to § 54.1-2400.2 of the Code, the signed original of this Order shall remain in the custody of the Department of Health Professions as a public record, and shall be made available for public inspection and copying upon request.
