BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Licensed Vocational Nurse § AGREED
License Number 69266 §
issued to IMOGENE KAY DAVIS § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of IMOGENE KAY DAVIS, Vocational Nurse License Number 69266, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on November 16, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Stephenville Hospital Vocational Nursing Program, Stephenville, Texas, on August 12, 1976. Respondent was licensed to practice vocational nursing in the State of Texas on November 19, 1976.
5. Respondent's nursing employment history includes:

11/1976 - 1985	Unknown	
1986 - 1991	Staff Nurse	Continuous Care Fort Worth, Texas
1992 - 2005	Unknown	

Respondent's nursing employment history continued:

2006 - Present	Staff Nurse	No Place Like Home Forth Worth, Texas
9/2009 - 1/2010	Staff Nurse	Village Creek Nursing Home Fort Worth, Texas

6. At the time of the initial incident, Respondent was employed as a Staff Nurse with Village Creek Nursing Home, Forth Worth, Texas, and had been in this position for three (3) months.
7. On or about December 24, 2009, while working as a Staff Nurse at Village Creek Nursing Home, Forth Worth, Texas, Respondent allowed an incompetent Resident Medical Record Number 455153208 to leave the facility unattended, in a taxi cab without money and without the guardian's permission, to visit a male resident with a known history of violence toward the resident who was still residing at the facility where the resident formerly lived. The resident was moved from the former facility by her guardian specifically because the male resident had been abusive toward her. Once the resident arrived at the other facility, the facility staff arranged for Village Creek Nursing Home staff to escort the resident safely back. Respondent's conduct placed the resident at potential risk of injury from abuse.
8. On or about January 4, 2010, while working as a Staff Nurse at Village Creek Nursing Home, Fort Worth, Texas, Respondent left a secured area of the facility unattended for a period of at least 30 minutes, until the facility Director of Nurses observed Respondent return to the unit from outside the building. Respondent's conduct placed residents at risk for injury from being unattended in a locked secured unit.
9. On or about January 5, 2010, while working as a Staff Nurse at Village Creek Nursing Home, Fort Worth, Texas, Respondent failed to assess and intervene regarding the severe pain of Resident Medical Record Number 458481224 after a nurse aide notified her of the resident's pain with slight movement. The resident moaned and guarded her thorax area with her hands when she was repositioned. It was not until the facility Director of Nurses notified the physician regarding the resident's pain that orders were received for the resident's transfer to a higher level of care. Respondent's conduct resulted in the resident suffering unnecessary pain.
10. In response to the incidents in Findings of Fact Numbers Seven (7) through Nine (9), Respondent admits allowing the resident to leave the facility unattended, stating she was wrong to let the resident go and just got caught up in the moment. Regarding the secured unit, Respondent denies leaving the secured area unattended, stating she was in the room next to the office, she was checking her medication administration records, and every patient was in their room asleep. In response to the resident with pain, Respondent states she didn't go to the resident's room when she slid out of her chair because she was not hurt and she slides out of the wheel chair all the time. Respondent states she was taking care of seventeen (17) residents.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(B),(1)(I), (1)(M)&(2)(A) and 217.12(1)(A),(1)(B),(1)(C),(4)&(12).
