Dear Heaven Hammurabi-Boyd:

Upon review of your License Reactivation application submitted November 18, 2015, the decision was made to deny your petition for reactivation of your license(s) to practice nursing in the State of Texas due to non compliance with your Order of the Board dated March 18, 2008. Specifically, you indicate on your License Reactivation application that you worked as a nurse as recently as December of 2011. However, we have received no notifications of employment or nursing performance evaluations, as required by stipulations 6-9 of the March 18, 2008 Board Order. Further, the Order dated March 18, 2008 requires supervised practice and places limitation on the types of settings you can work. We have no evidence that you have complied with these requirements. Please note you will not be allowed to petition for reactivation until one year has elapsed from the date of this letter.

The Texas Nursing Practice Act provides in pertinent part that the Board may refuse to issue a license, pursuant to Texas Occupations Code, Sections 301.452(b) and 301.467, and 22 TEX. ADMIN. CODE §§213.33(e)(1).

Due to this denial, you have the right to a public hearing before an Administrative Law Judge with the State Office of Administrative Hearings. Should you decide to appeal the decision to deny you reactivation, please submit a written request for a public hearing, to the attention of Kathy Hoffman, Office of General Counsel, 333 Guadalupe, Suite 3-460, Austin, Texas, 78701. Your written request to appeal this decision must be received in our office within sixty (60) days of the date of this letter.

If you have any questions, please contact the Investigation, Leah Brite, at (512) 305-7056.

Sincerely,

Katherine A. Thomas, MSN, RN, FAAN
