In the Matter of Registered Nurse	§	AGREED
License Number 695348	§	
issued to ROBERT RICHARD ROTH, III	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of ROBERT RICHARD ROTH, III, Registered Nurse License Number 695348, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on January 3, 2009, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Prairie State College, Chicago Heights, Illinois, on June 1, 1993. Respondent was licensed to practice professional nursing in the State of Illinois on October 16, 1993, was licensed to practice professional nursing in the State of Tennessee on December 7, 1993, was licensed to practice professional nursing in the State of Georgia on April 3, 1997, and was licensed to practice professional nursing in the State of Texas on April 22, 2003.

5. Respondent's professional nursing employment history includes:

10/1993 - 03/1997	Unknown	
1997 - 09/2000	Staff Nurse	Crawford Long Hospital Atlanta, Georgia
10/2000 - Unknown	Agency Nurse	Progressive Nursing Staffers Lombard, Illinois
10/2000 - Unknown	Agency Nurse	ASAP Healthcare Network Marietta, Georgia
10/2002 - 02/2003	In-House Registry	Little Company of Mary Hospital Evergreen Park, Illinois
02/2003 - Unknown	Staff Nurse	Harris Methodist H. E. B. Bedford, Texas
06/2003 - Unknown	Agency Nurse	Xceptional Nurses Arlington, Texas 76011
10/2003 - 01/2007	Agency Nurse	All About Staffing Irving, Texas
02/2007 - Present	Unknown	

6. At the time of the initial incident, Respondent was employed as an Agency Nurse with All About Staffing, Irving, Texas, assigned to Lewisville Hospital, Lewisville, Texas, and had been in this position for three (3) years three (3) months.

7. On or about January 23, 2007, while employed with All About Staffing, Irving, Texas, and assigned to the Medical Center of Lewisville, Lewisville, Texas, Respondent failed to follow physician's orders when he administered the medication Bentyl to Patient Medical Record Number L000311497 intravenously (IV) when the physician's order indicated the medication to be administered orally and the vial was clearly marked "Not for IV use." The patient required hospitalization for an extended overnight stay and required a consultation with a vascular surgeon. Respondent's conduct was likely to injure the patient in that administration of Bentyl intravenously may cause complications such as blood clots and possible death.

8. On or about January 23, 2007, while employed with All About Staffing, Irving, Texas, and assigned to the Medical Center of Lewisville, Lewisville, Texas, Respondent falsely documented a physician's order to administer Bentyl intravenously to the aforementioned Patient Medical Record Number L000311497 by writing in, above the physician's signature, that he had received a verbal order that the Bentyl could be administered intravenously from the physician. Respondent's conduct resulted in an inaccurate medical record and may have caused complications such as blood clots and/or death.

9. In response to the incidents in Findings of Fact Numbers Seven (7) and Eight (8), Respondent admits to both and states that he was orienting to the Clinical Decision Unit (part of the emergency department) and was helping out another nurse. The physician wrote an order for Bentyl by mouth. Respondent did not have access to the medication dispensing unit, so the nurse he was helping pulled the medications for him to administer. The other nurse stated to Respondent that they didn't have the medication in oral form, but they had it in IV form. Respondent started an IV on the patient and injected the Bentyl with IV of normal saline.

#### CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(C),(1)(D),(1)(M)&(1)(P) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B),(1)(C),(4),(6)(A)&(10)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 695348, heretofore issued to ROBERT RICHARD ROTH, III, including revocation of Respondent's license to practice professional nursing in the State of Texas.
