FORMAL CHARGES

This is a disciplinary proceeding under Section 301.452(b), Texas Occupations Code. Respondent, MELISSA RENEE BENTLEY, is a Vocational Nurse holding License Number 206947, which is in invalid status at the time of this pleading, and holding Privilege to Practice from Arkansas License Number L040475, which is in current status at the time of this pleading.

Written notice of the facts and conduct alleged to warrant adverse licensure action was sent to Respondent at Respondent's address of record and Respondent was given opportunity to show compliance with all requirements of the law for retention of the license prior to commencement of this proceeding.

CHARGE I.

On or about September 21, 2016, while utilizing a Privilege to Practice (PTP) nursing from the State of Arkansas and employed as a licensed vocational nurse with Epic Health Services, Houston, Texas, and on assignment with First Baptist Church, Houston, Texas, Respondent lacked fitness to practice vocational nursing in that she was observed sleeping while she was responsible for caring for special needs children. Respondent's condition could have affected her ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected her ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patients in potential danger.

The above action constitutes grounds for disciplinary action in accordance with Sections 301.452(b)(10), (12)&(13) and 304.001, Article 5, Texas Occupations Code, and is a violation of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B)&(1)(T), and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B),(1)(E),(4)&(5).

NOTICE IS GIVEN that staff will present evidence in support of the recommended disposition of up to, and including, revocation of Respondent's license/s to practice nursing in the State of Texas pursuant to the Nursing Practice Act, Chapter 301, Texas Occupations Code and the Board's rules, 22 Tex. Admin. Code §§ 213.27 - 213.33. Additionally, staff will seek to impose on Respondent the administrative costs of the proceeding pursuant to Section 301.461, Texas Occupations Code. The cost of proceedings shall include, but is not limited to, the cost paid by the Board to the State Office of Administrative Hearings and the Office of the Attorney General or other Board counsel for legal and investigative services, the cost of a court reporter and witnesses, reproduction of records, Board staff time, travel, and expenses. These shall be in an amount of at least one thousand two hundred dollars (\$1200.00).

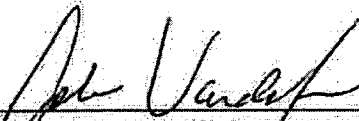

NOTICE IS GIVEN that all statutes and rules cited in these Charges are incorporated as part of this pleading and can be found at the Board's website, www.bon.texas.gov.

NOTICE IS GIVEN that, based on the Formal Charges, the Board will rely on the Disciplinary Matrix, located at 22 TEX. ADMIN. CODE §213.33(b), which can be found under the "Discipline & Complaints; Board Policies & Guidelines" section of the Board's website, www.bon.texas.gov.

NOTICE IS ALSO GIVEN that Respondent's past disciplinary history, as set out below and described in the Order(s) which is/are attached and incorporated by reference as part of these charges, will be offered in support of the disposition recommended by staff: Agreed Eligibility Order dated October 5, 2006.

Melissa Renee' Walker, L.P.N., Respondent, appears in person without counsel.

STIPULATION

Respondent and the Panel hereby stipulate and agree to the following joint stipulation and proposed Order of the Board incorporating this stipulation and agreement in the above-styled matter.

1. Respondent is licensed to practice licensed practical nursing in the State of Oklahoma and is the holder of License No. L0042586 issued by the Oklahoma Board of Nursing.
2. On or about the middle of January, 2000, Respondent fell asleep while on duty, on more than one occasion, while employed by Oklahoma Home Health, Inc., Tulsa, Oklahoma.
3. No formal complaint has been filed as of the date of this stipulation charging Respondent with a violation of the Oklahoma Nursing Practice Act. Respondent understands that she has a right to require that a formal complaint be filed and the right to a formal hearing before the Board at which time she could confront the witnesses against her, cross-examine those witnesses, and present evidence in her own behalf. Respondent understands that

by signing and agreeing to this stipulation she is waiving those rights.

4. This stipulation is executed by the Respondent for the purpose of avoiding further administrative action with respect to this cause. In this regard, Respondent authorizes the Board to review and examine all investigative file materials concerning Respondent prior to or in conjunction with consideration of this stipulation. Furthermore, should this joint stipulation not be accepted by the Board, it is agreed that presentation to and consideration of this stipulation and other documents and matters by the Board shall not unfairly or illegally prejudice the Board or any of its members from further participation, consideration or resolution of these proceedings.

7. It is expressly understood that this stipulation is subject to approval of the Board and has no force and effect until approved and Ordered by the Board.

STIPULATED DISPOSITION

IT IS THEREFORE ORDERED by the Oklahoma Board of Nursing that Respondent's license to practice licensed practical nursing in the State of Oklahoma remain in effect on the following terms and conditions:
