BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of § AGREED  
Registered Nurse License Number 629802 §  
issued to LISA C. WILCOX § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of LISA C. WILCOX, Registered Nurse License Number 629802, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on November 17, 2017.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received an Associate Degree in Nursing from Austin Community College, Austin, Texas, on May 1, 1996. Respondent was licensed to practice professional nursing in the State of Texas on June 19, 1996.
5. Respondent's nursing employment history includes:

05/1996 - 10/2014	RN	Seton Hospital, Austin, Texas
03/2010 - 06/2012	RN	Encompass, Austin, Texas

Respondent's nursing employment history continued:

05/2012 - 11/2016                      RN                      Baylor Scott & White Medical Center  
Lakeway Campus, Round Rock, Texas

11/2016 - Present                      RN                      Travis County Jail, Austin, Texas

6. At the time of the initial incident, Respondent was employed as a RN with Baylor Scott & White Medical Center, Lakeway Campus, Round Rock, Texas, and had been in that position for four (4) years and six (6) months.
7. On or about November 3, 2016, while employed as a RN with Baylor Scott & White Medical Center, Lakeway Campus, Round Rock, Texas, and while caring for Patient Number 1056479, Respondent applied a Lidocaine patch on the patient without a physician's order. Further, Respondent obtained the Lidocaine patch from her personal bag and failed to document the application of Lidocaine patch in the patient's medical record. Respondent's conduct was likely to injure the patient from adverse effects of medication administered without the benefit of physician's expertise to determine safety and appropriateness of the medication. Additionally, Respondent's conduct resulted in an incomplete and/or inaccurate medical record.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states there just happened to be a Lidocaine patch inside of Respondent's computer drawer (which she indicates she was going to be return to pharmacy) that belonged to a prior patient. Respondent placed the Lidocaine patch on Patient Number 1056479 but states that she had been instructed to do so.

2. Notice was served in accordance with law.
