BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Vocational Nurse License Number 313806 §
issued to KARA LOUISE MARTINEZ § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of KARA LOUISE MARTINEZ, Vocational Nurse License Number 313806, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on September 8, 2017.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Frank Phillips College, Borger, Texas, on May 17, 2012. Respondent was licensed to practice vocational nursing in the State of Texas on May 7, 2013.
5. Respondent's nursing employment history includes:

5/2013-11/2014	Unknown	
12/2014-5/2015	Licensed Vocational Nurse	Shepards Home Health Pampa, Texas

Respondent's nursing employment history continued:

5/2015-Present	Licensed Vocational Nurse	Epic Pediatric Therapy Amarillo, Texas
----------------	---------------------------	---

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with Epic Pediatric Therapy, Amarillo, Texas, and had been in that position for one (1) year and eleven (11) months.
7. On or about April 22, 2017, through June 6, 2017, while employed as a Licensed Vocational Nurse with Epic Pediatric Therapy, Amarillo, Texas, Respondent violated professional boundaries by providing private duty nursing care to three-year-old pediatric Patient Number 6881 in her own home, both while on-duty as an employee at Epic Pediatric Therapy, and off-duty with the patient staying overnight in Respondent's home. Additionally, Respondent failed to completely and adequately document in the patient's medical records, in that she failed to document when the patient traveled outside of his (patient's) home, received care at Respondent's home, or stayed overnight at Respondent's home. Respondent's conduct resulted in an inaccurate medical record, and exposed the patient to a risk of harm in that it could have resulted in confusion between the needs of the nurse and those of the patient.
8. In response to the incidents in Finding of Fact Number Seven (7), Respondent states that the patient's family home developed an infestation of bedbugs, and the patient was developing welts and sores. Respondent states that she learned that a fellow nurse had arranged with the parent's consent to provide care in her home, she agreed to do so also. Respondent states that this was done on several occasions, at least ten. Respondent states that this would begin on Mondays, the first of the two days a week she was scheduled to provide care. Respondent states that the patient would then spend the night in a crib at her home, then the following day, she would continue to provide the care usually delivered at the patient's residence. Respondent states that on Tuesdays, she would transport the patient to his speech/occupational/physical therapy appointments, then she would either return the patient to his home, return him to her home to spend another night, or bring him to another nurse to spend the night at her house. Respondent adds that all this was done with the full and complete communication to the parents. Respondent states that this was done only to help the patient, and she was not paid anything extra by Epic or the parents to provide care in her own home.
