Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 911044 §
issued to FRANCHESCA RIZO § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Bo considered the matter of FRANCHESCA RIZO, Registered Nurse License Number 911044, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on December 20, 2017.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Baccalaureate Degree in Nursing from West Coast University, Dallas, Texas, on August 1, 2016. Respondent was licensed to practice professional nursing in the State of Texas on November 1, 2016.
5. Respondent's nursing employment history includes:

11/2016-09/2017	RN	Baylor University Medical Center Dallas, Texas
10/2017-Present	Unknown	

6. On or about July 13, 2017, while employed as a Registered Nurse with Baylor Scott and White Hospital-Baylor University Medical Center, Dallas, Texas, Respondent failed to scan the medication vial attached to the bag for Patient Medical Record Number 01092779. Thus, Respondent failed to catch a mistake by the pharmacy and the wrong medication was then infused. Respondent's conduct was likely to injure the patient in that administering the incorrect medication could have caused harmful consequences.
7. On or about September 15, 2017, while employed as a Registered Nurse with Baylor Scott and White Hospital-Baylor University Medical Center, Dallas, Texas, Respondent accepted care of Patient Medical Record Number 01288206 at 1900, and failed to review the drip infusing until 0300, eight (8) hours after accepting care. This caused Respondent not to catch the medication that had been infusing at an incorrect rate. The bag infusing was empty at 0700 and it should have lasted until about 1000. Respondent's conduct was likely to injure the patient in that failure to administer medications as ordered by the physician could have resulted in non-efficacious treatment.
8. In response to Findings of Fact Number Six (6) and Seven (7), Respondent states the Patient Medical Record Number 01092779 was identified using 2 identifiers, the medication order was checked in the system and the medication label on the bag was verified against the order. Respondent states what she failed to do was verify the medication in the bottle attached to the bag on the label which resulted in the patient receiving the wrong medication. Regarding Patient Medical Record Number 01288206, Respondent states due to another patient who was attempting to leave the hospital regularly, she was not able to look at the order for the drip until 0300. Respondent states she failed this patient by not looking at his medication order, mainly because the day shift nurse had initiated the administration of the drip and Respondent took for granted that it was running at the correct rate.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555 , the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(C)&(3) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 911044, heretofore issued to FRANCHESCA RIZO.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
