William R. Thomas
Executive Director of the Board

BEFORE THE BOARD OF NURSE EXAMINERS
FOR THE STATE OF TEXAS

In the Matter of Permanent Certificate §
Number 594551 issued to § AGREED ORDER
JENNIFER LYNN FAULKNER §

An investigation by the Board produced evidence indicating that JENNIFER LYNN FAULKNER, hereinafter referred to as Respondent, may have violated Article 4525(b)(12), Revised Civil Statutes of Texas, as amended.

An informal conference was held on November 1, 1995, at the office of the Board of Nurse Examiners, in accordance with Article 4524C, Revised Civil Statutes of Texas, as amended.

Respondent appeared in person. Respondent was notified of her right to be represented by legal counsel and elected to waive representation by counsel. In attendance were Katherine A. Thomas, MN, RN, Executive Director; Iris Snell, Board Member; Roy Rawls, Assistant General Counsel; Anthony L. Diggs, Supervising Investigator; and Gary Walters, RN, Investigator.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, notice, hearing, and consented to the entry of this order.
3. Respondent is currently licensed to practice professional nursing in Texas.
4. Respondent graduated from San Antonio College with an Associate Degree in Nursing in May 1993, and received a license to practice professional nursing in Texas in September 1993.

5. Upon graduation from the nursing program, Respondent was employed at Southwest General Hospital, San Antonio, Texas, where she worked in telemetry and med-surg from July 1993 until her termination in February 1995.
6. On or about February 22, 1995, while employed at Southwest General Hospital, San Antonio, Texas, Respondent was assigned to care for patient #10089092, an 84 year old female with multiple diagnosis including Cancer of the pancreas, as part of her nursing assignment. The patient was transferred from Southwest General Hospital to another facility for a endoscopic procedure at about 0730 on this date, and returned to Southwest General Hospital at about 1500. Respondent failed to assess the patient prior to the patient's transfer to the other facility, but did assess the patient after the patient's return at approximately 1630. Respondent documented the assessment as being done at 0900, while the patient was physically at the other facility. In the assessment documented by Respondent, she inaccurately documented the patient's skin color, omitted vital signs and failed to document the condition of the IV insertion site. Respondent's actions resulted in an inaccurate medical record and failed to establish an accurate baseline assessment from which changes could be detected.
7. On the same date at the aforementioned facility, Respondent was informed at about 1755 by a nurse tech that patient #10089092 was without vital signs or respiratory effort. Respondent asked staff to initiate a "Code Blue" but gathered other staff and assembled equipment before ventilating the patient, while waiting for the "Code Team" to arrive. Respondent's failure to institute prompt intervention delayed treatment and decreased the patient's chances of a successful resuscitation. The patient was pronounce dead at 1805.

CONCLUSIONS OF LAW

1. Pursuant to Article 4525, Revised Civil Statutes of Texas, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received was sufficient to prove violation(s) of Article 4525(b)(12), TEX. REV. CIV. STAT. ANN., and 22 TEX. ADMIN. CODE §217.11(3),(4)&(7).
4. The activities of the Respondent constituted sufficient cause pursuant to Article 4525(b), TEX. REV. CIV. STAT. ANN., to take disciplinary action against license number 594551, heretofore issued to JENNIFER LYNN FAULKNER.
