Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 586213 §
issued to LISA ANN BISSON § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of LISA ANN BISSON, Registered Nurse License Number 586213, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10),(12)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on January 5, 2018.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Diploma in Nursing from Barrie, Ontario, Canada on June 1, 1991. Respondent was licensed to practice professional nursing in the State of Texas on October 19, 1992.
5. Respondent's nursing employment history includes:

10/1992 - 01/1993	Unknown
-------------------	---------

Respondent's nursing employment history continued:

02/1993 - 08/2008	Registered Nurse	CHRISTUS Trinity Mother Frances Hospital Tyler, Texas
07/2008 - 03/2017	Registered Nurse	CHRISTUS Trinity Mother Frances Urgent Care Tyler, Texas
04/2017 - 06/2017	Staff Nurse	CHRISTUS Trinity Clinic Chandler, Texas
07/2017 - Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Staff Nurse with CHRISTUS Trinity Clinic, Chandler, Texas, and had been in that position for approximately one (1) month.
7. On or about May 1, 2017, through June 13, 2017, while employed as a Staff Nurse with CHRISTUS Trinity Clinic, Chandler, Texas, Respondent lacked fitness to practice nursing in that she presented impaired-like behavior while on duty, such as slow response to requests, lethargy, sedation, and no sense of urgency in her work. Additionally, Respondent was declared unfit for duty by a medical doctor. Respondent's condition could have affected her ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected her ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patients in potential danger.
8. On or about May 18, 2017, while employed as a Staff Nurse with CHRISTUS Trinity Clinic, Chandler, Texas, Respondent failed to adequately monitor Patient Number 099032219, who presented to the clinic with chest pain and a suspected heart attack. The patient was left unattended, sitting on an exam table with a family member, who then called out for help when the patient experienced dizziness. Respondent's conduct was likely to injure the patient in that significant changes in the patient's cardiac status may have gone undetected and prevented a timely intervention.
9. On or about May 19, 2017, while employed as a Staff Nurse with CHRISTUS Trinity Clinic, Chandler, Texas, Respondent attempted to perform an electrocardiogram (EKG) on an incorrect patient, without proper patient verification. The physician assistant walked in the patient's room before the EKG was completed and mentioned that an EKG was not ordered. Respondent's conduct was likely to injure the patient in that it could have resulted in non-efficacious treatment.

10. In response to the incident in Finding of Fact Number Seven (7), Respondent states that because of stress of losing her job, then new job, she had a lot of depression, anxiety, and neck and back pain related to surgery. Respondent states that she was taking Restoril every night for sleep, which did not help, and only got 2-3 hours of sleep or none per night and was exhausted. Respondent states that she does not feel like she is an unsafe nurse. In response to the incident in Finding of Fact Number Eight (8), Respondent states that she left the room for five (5) seconds to run to the front desk to tell someone to call 911. She explains that the patient's blood pressure bottomed out after Respondent gave the patient a Nitro SL, SBP 120's per the physician's assistant (PA). Respondent states that she stayed in the room with the two (2) providers the entire time until EMS got the patient on a stretcher. Respondent states that she was very stressed, overwhelmed with EMR charting, and it was very different than what she was used to. She states that she is seeing a psychotherapist, Sandy Pannett, for stress, anxiety, and depression.
11. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(M),(1)(N),(1)(T)&(3)(A) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B),(1)(E),(4)&(5).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10),(12)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 586213, heretofore issued to LISA ANN BISSON, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
