BEFORE THE BOARD OF NURSE EXAMINERS
FOR THE STATE OF TEXAS

In the Matter of	§	
LINSI ANNE VARNER	§	ORDER OF
PETITIONER for Eligibility for	§	CONDITIONAL ELIGIBILITY
Licensure	§	

On the date entered below, the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the Petition for Declaratory Order and supporting documents filed by LINSI ANNE VARNER, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and PETITIONER's Certificate contained herein. Information received by the Board produced evidence that PETITIONER may have violated Section 301.452 *et seq.*, Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order offered on September 12, 2005, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. On or about January 21, 2005, Petitioner submitted a Petition for Declaratory Order requesting a determination of eligibility for licensure in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
2. Petitioner waived representation, notice, administrative hearing, and judicial review.
3. Petitioner is currently enrolled in a licensed vocational nursing program at Cy-Fair College, Cypress, Texas.
4. Petitioner completed the Petition for Declaratory Order and answered "yes" to Question Number Two (2), which reads as follows: "*Have you been convicted, adjudged guilty by a court, plead guilty, no contest or nolo contendere to any crime in any state, territory or country, whether or not a sentence was imposed, including any pending criminal charges or*

unresolved arrests (excluding minor traffic violations)? This includes expunged offenses and deferred adjudications with or without prejudice of guilt. Please note that DUI's, DWI's, PI's must be reported and are not considered minor traffic violations. (One time minor in possession [MIP] or minor in consumption [MIC] do not need to be disclosed, therefore, you may answer "No". If you have two or more MIP's or MIC's, you must answer "Yes".)

5. Petitioner disclosed the following criminal history, to wit:

On April 6, 2000, Petitioner was charged with the second degree felony offense of Possession of a Controlled Substance in the District Court of Montgomery County, Texas. On November 8, 2001, the court dismissed the action because Petitioner successfully completed a diversion program.

6. There is no evidence of any subsequent criminal conduct.

7. On June 17, 2005, Petitioner was requested to undergo a Forensic Psychological Evaluation to include a Chemical Dependency Component and a Polygraph Examination. On August 17, 2005, Petitioner presented to John Lehman, Ph.D., Richardson, Texas, to undergo the evaluation to determine eligibility for licensure. The results of the evaluation indicate that Petitioner is in full remission of her cocaine dependency and her recovery is stable and the evaluator sees no current risk of her returning to drugs; however, Petitioner is an occasional user of alcohol, but is not abusing it. The evaluator would prefer Petitioner not drink. The evaluator states that Petitioner does have some mental health issues that affect her quality of life such as Petitioner tends to deny anger and other emotions and these could lead to additional issues down the road if not attended. While there are some issues to address, Dr. Lehman does not believe these would impair her ability to function as a nurse and he believes Petitioner is safe to practice and can be expected to work within the law and the rules of the TBNE.

8. The Board received letters of support/recommendation for Petitioner from the following:

- A letter of recommendation was submitted to the Board on behalf of Petitioner by Mary C. Jones, RN, Associate Professor-Vocational Nursing, Cy-Fair College, Cypress, Texas.
- A letter of recommendation dated November 9, 2004, was submitted to the Board on behalf of Petitioner by Marion Goodman, RN, Associate Professor of Nursing, Cy-Fair College, Cypress, Texas.

9. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public provided Petitioner complies with the stipulations outlined in this Order.

10. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.

11. Petitioner has sworn that her past behavior conforms to the Board's professional character requirements. Petitioner presented no evidence of behavior which is inconsistent with good professional character.
12. Petitioner has been advised that any information found to be incomplete, incorrect, or misleading will be considered and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through misrepresentation.
13. On or about September 12, 2005, the Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.

CONCLUSIONS OF LAW

1. The Board of Nurse Examiners has jurisdiction over this matter pursuant to Section 301.453, Texas Occupations Code.
2. Petitioner has submitted a petition in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
3. Petitioner's criminal history reflects criminal conduct which is grounds for denial of a license under Section 301.452 *et seq.*, Texas Occupations Code.
4. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452, Texas Occupations Code.
5. The Board may license an individual who has been previously convicted, adjudged guilty by a court, pled guilty or pled nolo contendere to any crime whether or not a sentence was imposed upon consideration of the factors set out in 22 Texas Administrative Code §213.28 and evaluating the direct relationship to nursing according to Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.
6. The Board may license an individual with prior behaviors inconsistent with the Board's character requirements if, upon evaluation of the factors in 22 Texas Administrative Code §213.27, the Board is satisfied that the individual is able to consistently conform her conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
