

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse License Number 206285 § AGREED
issued to ANNA E. BRACKIN § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of ANNA E. BRACKIN, Vocational Nurse License Number 206285, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on November 7, 2007, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Lamar University - Orange Extension, Orange, Texas, on August 11, 2006. Respondent was licensed to practice vocational nursing in the State of Texas on September 21, 2006.
5. Respondent's vocational nursing employment history includes:

09/06 - 02/07	LVN	Silsbee Oaks Healthcare Silsbee, Texas
---------------	-----	---

Respondent's vocational nursing employment history (continued):

03/07 - Present Unknown

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with Silsbee Oaks Healthcare, Silsbee, Texas, and had been in this position for approximately six (6) months.
7. On or about February 11, 2007, while employed as a Licensed Vocational Nurse with Silsbee Oaks Healthcare, Silsbee, Texas, Respondent failed to administer Dilantin to Client Medical Records Number 1771, as ordered by the physician. Respondent's conduct was likely to injure the patient in that failure to administer medications as ordered by the physician could have resulted in non-efficacious treatment.
8. On or about February 11, 2007, while employed as a Licensed Vocational Nurse with Silsbee Oaks Healthcare, Silsbee, Texas, Respondent failed to collaborate with the health care team regarding the client's missed dose of Dilantin. Respondent's conduct was likely to injure the patient from possible seizure activity and could have resulted in non-efficacious treatment.
9. On or about February 11, 2007, while employed as a Licensed Vocational Nurse with Silsbee Oaks Healthcare, Silsbee, Texas, Respondent falsely documented on the Medication Administration Record for Client Medical Record Number 1771 that she administered Dilantin to the client. Respondent later admitted that the client did not receive the medication, and instead, the medication was poured down a sink drain. Respondent's conduct was likely to injure the patient in that subsequent care givers would rely on her documentation to further medicate the patient which could result in an overdose.
10. In response to Findings of Fact Numbers Seven (7), Eight (8) and Nine (9), Respondent states:

I made an honest mistake. On my eight o'clock round, as I was giving my other medications, I realized that I had not turned off the client's gastronomy tube pump at seven o'clock. At this point I turned the pump off intending to come back in one hour to give his Dilantin. I never came back to give his Dilantin. I forgot. It wasn't until ten o'clock shift change, when the client seized, that I remembered about the Dilantin. I was very scared and I panicked. I then made my second mistake by wasting one dose of Dilantin and pouring it down the sink. I had been made aware in the week preceding the incident that my medications were being counted. I did not want anyone to see that I had missed a dose, so I made a horrible error in judgment and thought it would be better to try and cover it up than to tell someone.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(13), Texas Occupations Code, 22 TEX. ADMIN. CODE §217.11(1)(B),(1)(C),(1)(D)&(1)(P) and 22 TEX. ADMIN. CODE §217.12(1)(A),(4),(6)(A)&(6)(H).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 206285, heretofore issued to ANNA E. BRACKIN, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
