

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse	§	AGREED
License Number 537048	§	
issued to VANESSA R. BARNES	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of VANESSA R. BARNES, Registered Nurse License Number 537048, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived informal conference, notice and hearing, and agreed to the entry of this Order offered on October 24, 2007, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

2. Respondent waived informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from San Jacinto College, Pasadena, Texas, on December 1, 1986. Respondent was licensed to practice professional nursing in the State of Texas on March 18, 1987.
5. Respondent's professional nursing employment history includes:

03/87 - 02/88	RN	St. Luke's Episcopal Hospital Houston, Texas
---------------	----	---

Respondent's professional employment history continued:

02/88 - 11/90	RN	Anderson Cancer Center Houston, Texas
11/90 - 04/93	RN	Ben Taub Hospital Houston, Texas
05/93 - 04/94	unknown	
05/94 - 06/96	RN	Hermann Hospital Houston, Texas
07/96 - 07/01	unknown	
08/01 - 02/06	RN	Select Specialty Hospital Houston, Texas
03/06 - present	unknown	

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with Select Specialty Hospital, Houston, Texas, and had been in this position for five (5) years and five (5) months.
7. On or about January 20, 2007, while employed with Select Specialty Hospital, Houston, Texas, Respondent administered Ativan to Patient Medical Record Number 9854 without a valid physician's order. Respondent's conduct was likely to injure the patient in that the administration of Ativan without a valid physician's order could result in the patient suffering from adverse reactions.
8. On or about January 20, 2007, while employed with Select Specialty Hospital, Houston, Texas, Respondent failed to completely and accurately report and document the administration of Ativan to Patient Medical Record Number 9854. Respondent's conduct was likely to injure the patient in that subsequent care givers would rely on her documentation to further medicate the patient which could result in an overdose.
9. On or about January 19, 2007 to January 22, 2007, while employed with Select Specialty Hospital, Houston, Texas, Respondent failed to maintain the integrity of the medical record when she altered original entries in the chart of Patient Medical Record Number 9854. Respondent's conduct was likely to injure the patient in that subsequent care givers did not have accurate and complete information on which to base their decisions for further care.

10. In Response to Finding of Fact Number Seven (7), Respondent states that the patient in question was restless and agitated. She paged the physician and received an order for Solumendrol and Ativan. Respondent states that she wrote the orders on a piece of paper because the chart was unavailable. When the chart became available, Respondent wrote the orders in the chart from memory because she was unable to locate the paper which she had written the orders on earlier.
11. In Response to Findings of Fact Numbers Eight (8) and Nine (9), Respondent states that the next day, she reviewed the patient's chart and realized that she had mistakenly forgotten to write down the order for Ativan the day before. On January 23, 2006, Respondent informed the ICU Manager that she had made an unintentional mistake and had written the order under the wrong date. The ICU Manager gave Respondent a verbal warning and instructed Respondent to correct her entry according to hospital policy.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
