5. On or about March 9, 2004, Respondent's license to practice professional nursing was issued the sanction of Warning with Stipulations through an Agreed Order by the Board of Nurse Examiners for the State of Texas. A copy of the Findings of Fact, Conclusions of Law and Order dated March 9, 2004, is attached and incorporated by reference as part of this Order.
6. At the time of the incident in Findings of Fact Numbers Seven (7) through Nine (9), Respondent was employed as a Staff Nurse with The University of Texas M. D. Anderson Cancer Center, Houston, Texas, and had been in this position for eight (8) years and ten (10) months.

7. On or about May 14, 2007, through May 15, 2007, while employed as a Staff Nurse with The University of Texas M. D. Anderson Cancer Center, Houston, Texas, Respondent failed to assess, monitor and intervene regarding the declining condition of Patient Medical Record Number SL698774, after Respondent was notified that the patient was experiencing severe low blood pressure and after the patient continued to have bloody diarrhea. Shortly after Respondent completed her shift, the patient was found to be unresponsive and expired later that day after being resuscitated and transferred to the Intensive Care Unit. Respondent's conduct may have contributed to the patient's demise.
8. On or about May 14, 2007, through May 15, 2007, while employed as a Staff Nurse with The University of Texas M. D. Anderson Cancer Center, Houston, Texas, Respondent failed to notify a physician, including the Stem Cell Transplantation Hospitalist Fellow on call, or nurse managers of the declining condition of the aforementioned Patient Medical Record Number SL698774. Respondent's conduct deprived care givers and physicians of information needed to, and the opportunity to, institute timely medical interventions to stabilize the patient and/or prevent complications.
9. On or about May 14, 2007, through May 15, 2007, while employed as a Staff Nurse with The University of Texas M. D. Anderson Cancer Center, Houston, Texas, Respondent failed to document in the medical record her assessment, the vital signs, or the declining condition of the aforementioned Patient Medical Record Number SL698774. Respondent's conduct resulted in an incomplete medical record and exposed the patient unnecessarily to risk of injury in that it deprived subsequent care givers of vital information on which to base further decisions regarding the patient's care.
10. In response to the incident in Findings of Fact Numbers Seven (7) through Nine (9), Respondent states that she was shocked to discover that three pages of her documentation regarding the patient were missing and believes that they may have inadvertently been placed in the shredder by mistake. Regarding notification of health care team members of the patient's low blood pressure, Respondent states that her brain had not registered the low blood pressure because the patient had been consistently running a low blood pressure anyway, and as a result she did not go into "alert" mode.
11. Formal Charges were filed and mailed to Respondent on November 27, 2007.
12. On November 14, 2007, Respondent returned License Number 651444 and submitted a statement to the Board voluntarily surrendering the right to practice professional nursing in Texas.

BEFORE THE BOARD OF NURSE EXAMINERS
FOR THE STATE OF TEXAS

In the Matter of License Number 651444 § AGREED
issued to DENISE MARY BERGER § ORDER

On this day the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the matter of DENISE MARY BERGER, License Number 651444, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on January 2, 2004, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Niagara County Community College, Sanborn, New York, on May 1, 1987. Respondent was licensed to practice professional nursing in the State of Texas on June 22, 1989.
5. Respondent's professional employment history includes:

07/87 - 02/89	Staff RN	Dana Farber Cancer Institute
	Oncology Bone Marrow	Boston, Massachusetts
	Transplant Unit	

Respondent's professional employment history continued:

02/89 - 07/89	Staff RN Hematology/Oncology Unit	University of Michigan Hospital Ann Arbor, Michigan
01/91 - 06/91	Staff RN Hematology/Oncology Unit	Providence Hospital Southfield, Michigan
06/91 - 08/93	Staff RN/Charge RN Hematology/Oncology Unit	Garden City Osteopathic Hospital Garden City, Michigan
11/93 - 09/96	Staff RN Hospice Care	Angela Hospice Livonia, Michigan
10/96 - 08/97	Staff RN Primary Case Manager	Heartland Home Health Care and Hospice Southfield, Michigan
08/97 - 05/98	Staff RN Primary Case Manager	Karmanos Cancer Institute Hospice Southfield, Michigan
07/98 - Present	Staff RN Medical/Surgical Unit	M. D. Anderson Cancer Center Houston, Texas

6. At the time of the incidents, Respondent was employed as a Staff Nurse in the Medical/Surgical Unit with M. D. Anderson Cancer Center, Houston, Texas, and had been in this position for four (4) years and six (6) months.
7. On or about January 26, 2003, while employed with M. D. Anderson Cancer Center, Houston, Texas, Respondent administered two (2) Dilaudid 1mg boluses, at 0307 and 0441, without a physician's order to Patient Medical Record Number 482991. The patient was found lying on the floor beside her bed, incontinent of stool, at approximately 0747. Respondent's behavior exposed the patient unnecessarily to a risk of experiencing hypotension, bradycardia, ileus, urinary retention, respiratory depression and/or bronchospasm.
8. On or about January 26, 2003, while employed at M. D. Anderson Cancer Center, Houston, Texas, Respondent may have lacked fitness to practice professional nursing. On February 6, 2003, Respondent met with the nurse manager to discuss the incident involving Patient Medical Record Number 482991. Upon clarification of the event, Respondent could not verify if she had contacted Dr. H., or not, to request an order for additional doses of Dilaudid for the patient. Respondent was unable to recall the situation and associated her lapse in memory with the start of a fish oil supplement as recommended by Respondent's nutritionist. Respondent's behavior was likely to expose the patient unnecessarily to a risk of experiencing unsafe and/or ineffective nursing care.

9. On or about January 27, 2003, while employed with M. D. Anderson Cancer Center, Houston, Texas, Respondent made false entries in the medical record of Patient Medical Record Number 482991, after Respondent was notified of the incident and findings involving the patient. Respondent documented a late entry in the patient's chart, ordering additional doses of Dilaudid for Patient Medical Record Number 482991 from Dr. H. When questioned, Dr. H. emphatically stated that she did not receive a page from Respondent and that she did not give Respondent an order for additional doses of Dilaudid. Respondent's behavior was likely to deceive other caregivers who needed complete information on which to base their care.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(3),(4),(12)&(20).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against License Number 651444, heretofore issued to DENISE MARY BERGER, including revocation of Respondent's professional license to practice nursing in the State of Texas.
