

BEFORE THE BOARD OF NURSE EXAMINERS  
FOR THE STATE OF TEXAS

In the Matter of Registered Nurse	§	AGREED
License Number 699719	§	
issued to DORA ALICIA MENDOZA	§	ORDER

On this day the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the matter of DORA ALICIA MENDOZA, Registered Nurse License Number 699719, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Sections 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived informal conference, notice and hearing, and agreed to the entry of this Order offered on July 15, 2007, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received a Baccalaureate Degree in Nursing from The University of Texas at Arlington, Arlington, Texas, on December 13, 2002. Respondent was licensed to practice professional nursing in the State of Texas on August 12, 2003.
5. Respondent's professional nursing employment history includes:

08/2003 to 12/2006	Staff Nurse	JPS Network Fort Worth, Texas
--------------------	-------------	----------------------------------

Respondent's professional nursing employment history, continued:

01/2007 to Present                      Staff Nurse                      Arlington Memorial Hospital  
Arlington, Texas

6. At the time of the initial incident in Findings of Fact Numbers Seven (7) and Eight (8), Respondent was employed as a Staff Nurse with Arlington Memorial Hospital, Arlington, Texas, and had been in this position for one (1) month.
7. On or about February 23, 2007, while employed as a Staff Nurse in the Oncology Unit of Arlington Memorial Hospital, Arlington, Texas, Respondent failed to administer medications as ordered by the physician to Patient Medical Record Number V00015488760, as follows:

Physician's Order	Dosage & Time Administered
Dilaudid 1 - 4 mg IV q 4 (hours) as needed for pain	4 mg @ 10:45
Ativan 0.5 mg IV q 1-IS (bedtime) as needed for	0.5 mg 11:45
Dilaudid 1 - 4 mg IV q 4 (hours) as needed for pain	4 mg again @ 14:30 (15 min. early, not due until 14:45)

Respondent did not realize the Ativan was ordered at bedtime for sleep, and she failed to clarify with the physician whether or not she could administer the Ativan for agitation as well. Forty-five (45) minutes after the second dose of Dilaudid, the patient exhibited signs of alleged narcotic overdose which required the administration of Narcan to bring him back to consciousness. Respondent's conduct may have contributed to the patient suffering signs of alleged narcotic overdose.

8. In response to the incident in Finding of Fact Number Seven (7), Respondent acknowledges that she frankly did not notice that the Ativan was designated for sleep and she makes no excuse that she could not read the order; that the order for Ativan may be subject to multiple interpretations and regrets having given the Ativan for a purpose not ordered.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§ 217.11(1)(A),(1)(B),(1)(C)&(1)(N) and 217.12(1)(A),(1)(B)&(4).

4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 699719, heretofore issued to DORA ALICIA MENDOZA, including revocation of Respondent's license to practice professional nursing in the State of Texas.
