

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 137156 §
issued to DENISE VILLARREAL § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of DENISE VILLARREAL, Vocational Nurse License Number 137156, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on October 31, 2007, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent holds a license to practice vocational nursing in the State of Texas which is in delinquent status.
4. Respondent received a Certificate in Vocational Nursing from Howard College, Big Spring, Texas, on September 3, 1990. Respondent was licensed to practice vocational nursing in the State of Texas on May 27, 1992.

5. Respondent's vocational nursing employment history includes:

05/92 - 10/99	LVN Lynn County Hospital Tahoka, Texas
06/00 - 07/22/07	LVN Medical Arts Hospital Lamesa, Texas
10/99 - 06/00	LVN Chowpaknum Family Health Care Lamesa, Texas
07/00 - Present	Not employed as an LVN

6. At the time of the initial incident, Respondent was employed as an LVN with Chowpaknam Family Health Care, Lamesa, Texas, and had been in this position for two (2) years and one (1) month.
7. On or about May 1, 2004 through June 29, 2006, while employed with Chowpaknum Family Health Care, Lamesa, Texas, Respondent practiced vocational nursing without a current license. Respondent's license became delinquent effective May 1, 2004. Respondent's conduct was likely to deceive the employer and could have affected the decision to continue employment.
8. On or about June 30, 2006, while employed with Medical Arts Hospital, Lamesa, Texas, Respondent submitted a copy of an altered wallet- sized license to practice vocational nursing to her employer for verification. The copy Respondent provided had an expiration date of April 30, 2006, however pursuant to Board records Respondent's license expired on April 30, 2004 and is currently in delinquent status. Respondent's conduct was likely to deceive the employer and could have affected the decision to employ Respondent.

Respondent's license became delinquent effective May 1, 2004. Respondent's conduct was likely to deceive the employer and could have affected the decision to continue employment.
10. Respondent states that she is guilty of not notifying the Board of her change of address. She denies that she altered the license. She states that she was going through marital problems and her husband was having health problems and she failed to notice that her license had expired. When the hospital asked her for her current license she could not find the original so she went to her personnel file and obtained a copy which has 2006 as the expiration date and she gave that copy to the hospital.
