To whom it May Concern:

After I signed the order given to me from the BNE, we learned that our daughter has a disability that is going to require me to stay home and take care of her. At this time, I am voluntarily surrendering my RN license. I will not be able to comply with the order to complete TPAPN at this time. My husband and I will re-assess the situation in a year to see if getting my license back will be the right thing for us to do. Thank you and I am sorry for any inconvenience this may have caused. I mailed my license to Paul Longoria about 2 weeks ago.

Thank you,
