BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 51008 §
issued to PASTY ROSE LINSOMB § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of PASTY ROSE LINSOMB, Vocational Nurse License Number 51008, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on July 8, 2008, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Galveston College Vocational Nursing Program, Galveston, Texas, on September 23, 1971. Respondent was licensed to practice vocational nursing in the State of Texas on October 27, 1971.
5. Respondent's nursing employment history includes:

10/1971 - 09/2001	Unknown	
10/2001 - 10/2003	Charge Nurse	Bay Oaks Healthcare Texas City, Texas

Respondent's nursing employment history continued:

11/2003	Unknown	
12/2003 - 04/2006	Staff Nurse	Galveston County Health District LaMarque, Texas
05/2006 - Present	Unknown	

6. At the time of the initial incident in Finding of Fact Number Seven (7), Respondent was employed as a Staff Nurse with Galveston County Health District, LaMarque, Texas, and had been in this position for two (2) years and three (3) months.
7. On or about March 16, 2006, while employed as a Staff Nurse at Galveston County Health District, La Marque, Texas, Respondent failed to appropriately document in the medical record of Patient Number T169543, a five (5) year old child. When Respondent was unable to find the pediatric Hepatitis B vaccine in the refrigerator, she asked the practitioner if she could administer a reduced dosage of Adult Hepatitis B vaccine as per manufacturer instructions; however, Respondent failed to document the practitioner's verbal order in the patient's medical record. Respondent also failed to document in the medical record that she had administered the adult vaccine, rather than the pediatric vaccine. Respondent's conduct resulted in an incomplete medical record and was likely to injure the patient from care decisions formulated based upon inaccurate information.
8. On or about April 1, 2006, through April 6, 2006, while employed as a Staff Nurse at Galveston County Health District, La Marque, Texas, Respondent continued to practice vocational nursing after her license had expired. Respondent's conduct mislead patients, staff and the public into believing that she was an appropriately licensed nurse in the State of Texas.
9. In response to the incidents in Findings of Fact Numbers Seven (7) and Eight (8), Respondent admits that she did not write the verbal order, nor did she remind the practitioner to write the order; however, "upon completing the chart," she returned to the practitioner, as was her custom, and the practitioner was "very much aware" that the adult Hepatitis B vaccine was administered. Respondent states that she documented in "all the required places to document and record," including filling in the lot number on the patient's immunization card and facility health card records. Respondent states that she was not aware that the order had not been written until a few days prior to the written reprimand she received from the facility. Respondent states that she intended to renew her license online at work because her home computer was broken, but she kept forgetting because she "became engrossed in performing the tasks at hand" and asserts that it was not intentional, as she would not purposefully jeopardize her license, job, or livelihood.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§ 217.11(1)(A),(1)(B), (1)(C)&(1)(D) and 217.12(1)(A),(1)(B)&(1)(C).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 51008, heretofore issued to PATSY ROSE LINSComb, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
